WARRANTY SUMMARY

Orders can be returned within 30-days for full refunds (shipping not included). Return requests received after 30-days will require approval and a 30% restocking fee. Units used for biological or industrial applications CANNOT be returned for refund. Once opened, Sterilizable Cool Drape, Laptop Drapes and Sterilizable Mouse Pad are not eligible for return/replacement.

All units returning for refund must be in "like new" condition with original packaging.

Warranty returns need to be disinfected and certified clean from biological and industrial contaminants. RETURNS WILL NOT BE ACCEPTED THAT HAVE NOT BEEN DISINFECTED. MMI will not be responsible for any units that are a biohazard or chemically contaminated.

* See www.man-machine.com for complete warranty information.
