

ENJOY A NETWORK BUILT FOR THE NEW HYBRID WORKPLACE

Aruba's 5 for 3 Promotion

The workplace of the future will be a hybrid environment, which envisions a completely new approach to workforce management, facilities, and connectivity – where there's a mixture of employees that come to the office on a daily basis, and those that continue to work from home and visit the office on occasion for meetings and customer engagements.

Aruba's secure, easy-to-manage, Cloud-ready access points deliver better customer experiences and improved employee productivity by allowing the network to be managed and monitored from home or remote office locations. And gives the gift of more responsive apps and fast, reliable connections.

Make the leap into the cloud! There's no better time than now, when you can buy 5 of our Cloud-ready Access Points or 2530 switches, for the price of 3. Plus, for a limited time, buy 5 Aruba Central licenses - a solution that lets you manage your Wi-Fi network from the cloud anywhere, easily - for the price of 3.
