

# ASUS BR1100C

## Strong, smart power for learning

US military-grade durability

Modular design

10 hours battery life

WiFi 6 & 4G LTE (optional)

ASUS BR1100C is designed with one thing in mind: to keep on going however tough the environment gets. Built to military-grade standards, it's packed with clever protective features, including an all-round rubber bumper, spill-resistant keyboard and ultratough I/O ports. BR1100C also supports up to WiFi 6 and optional 4G LTE for fast connectivity and has AI-powered noise-canceling technology for high-quality remote learning and conferencing.

## US Military-Grade Durability

Classrooms can be tough, but ASUS BR1100C is tougher! Built to surpass demanding US military-grade MIL-STD-810H durability standards, it's also torture-tested to pass stringent ASUS quality tests. It can withstand occasional drops of up to 120 cm — more than standard desk height — and the spill- and tamper-resistant keyboard can cope with liquid spills of up to 330 cc without harm. The hinge and I/O ports are fully tested to endure the stresses and strains of everyday use.

## Easy maintenance for uninterrupted learning.

For easy on-site servicing and reduced downtime, ASUS BR1100C has a modular design that allows key components — such as the keyboard, battery, thermal module and I/O ports — to be replaced in minutes using simple tools. As well, the underside is secured attached using captive screws, eliminating worries about losing these little parts during repairs.

## Noise cancellation

To provide exceptional remote learning and video-conferencing experiences, ASUS BR1100C features innovative ASUS AI noise-canceling technology that employs machine learning in order to isolate unwanted noise from human speech. Try the demo to experience the amazing difference that ASUS AI noise-canceling technology can make.

## Antibacterial protection for all

The surface of any laptop harbors thousands of potentially harmful bacteria. To keep your ASUS BR1100C hygienic, the keyboard, touchpad, and palm rest are all protected with ASUS BacGuard antibacterial treatment. This has been scientifically shown by the internationally-recognized ISO 22196 standard to inhibit the growth of bacteria by in excess of 99% over a 24-hour period. BacGuard is also made to withstand alcohol-based cleaning products, empowering you to keep the surface of your laptop clean, sanitary and virtually free from the spread of harmful bacteria.

## ASUS BR1100C

- Windows 10 Professional
- Up to Intel® Celeron® N4500 Processor 1.1 GHz
- Up to 128 GB eMMC
- Up to 4GB DDR4 2400MHz RAM
- 11.6" LED backlit, HD (1366 x 768) 16:9, anti-glare, 220 nits brightness
- Up to WiFi 6 (802.11 ax) and 4G LTE support (optional)
- Noise-reducing camera
- Power and internet status LED indicator
- Spill-resistant keyboard can cope with liquid spills of up to 330 cc
- Webcam shield

# ASUS BR1100F

## Strong, flippable power for learning

US military-grade durability

Modular design

10 hours battery life

WiFi 6 & 4G LTE (optional)

ASUS BR1100F is the best learning companion for students of all ages, with a tough, innovative design that's made to last. As well as a versatile touchscreen display and stylus, there's also a 360° hinge and a world-facing camera. It's packed with clever protective features, including an all-round rubber bumper, spill-resistant keyboard and ultratough I/O ports. BR1100F also supports up to WiFi 6 and optional 4G LTE, and has AI-powered noise-canceling technology for high-quality remote learning and conferencing.

Windows 10 Pro

## US Military-Grade Durability

Classrooms can be tough, but ASUS BR1100F is tougher! Built to surpass demanding US military-grade MIL-STD-810H durability standards, it's also torture-tested to pass stringent ASUS quality tests. It can withstand occasional drops of up to 47.3 inches — more than standard desk height — and the spill- and tamper-resistant keyboard can cope with liquid spills of up to 330 cc without harm. The hinge and I/O ports are fully tested to endure the stresses and strains of everyday use.

## Easy maintenance for uninterrupted learning.
