

ASUS Chromebook C204

Tough, Compact, School Ready

The ASUS Chromebook C204 features ergonomic and ruggedized design for the mobile and demanding students. It is equipped with a rugged chassis that is Mil-Std 810G tested to withstand accidental drops, up to 50,000 open/close hinge life, spill-resistant keyboard, and rounded rubber design for overall protection. The 180-degree hinge allows easy viewing during group study or collaboration, and a full-sized keyboard with 1.5mm travel distance allows faster and accurate typing experience. Best of all, the C204 has a modular component design making it very easy to replace the keyboard, motherboard, display, and battery.

ASUS Chromebook C204

The C204 is powered by Chrome OS and is secured by design with regular updates, AI-driven threat detection, and cloud-native operating system to give employees a free, flexible work experience. Its service and ergonomically friendly, rugged design with Chrome OS, and all day battery life makes the C204 the ideal Chromebook for students at school or on the go.

Ultimate Rugged Design

Mil-Std 810G tested to withstand accidental drops and prevent disruptions.

Stress-free sharing

The 180° lay-flat hinge not only enables easier collaboration when you're in a group, but it also reduces stress on the mechanism too.

Ready, right out of the box

With your Chromebook's operation system — the Chrome OS, you can work smarter and more productively, with robust built-in security and automatic updates.

Service-Friendly

Designed for service; key components such as the keyboard, motherboard, display and battery are easy to replace.
