

# ASUS ExpertBook B7 Flip

## Work Unbounded, With 5G Connectivity

ASUS ExpertBook B7 Flip is an enterprise-level, 5G-enabled (optional) premium laptop that's designed to accelerate your business. Working on the go is easier than ever with a lightning-fast data connection and your own personal secure network. The 360°-flippable design removes any limitations on how you work, and you can enjoy an immersive work environment for all your business needs thanks to its user-status indicator light and enterprise-grade security. The ExpertBook B7 features an NFC and Smart Card Reader to allow secure and convenient authentication access. The versatile and manageable ExpertBook B7 Flip is ready to power your business to the next level.

## ASUS ExpertBook B7 Flip

ExpertBook B7 Flip is built for effortless on-the-go productivity. It's powered by up to an Intel® Core™ i7 processor with 16 GB of RAM and Intel Iris Xe graphics for quick and responsive all-round performance. Up to a 1 TB PCIe® SSD ensures no-wait storage performance, and Intel WiFi 6 delivers gigabit-class speeds for faster large-file transfers.

### Bigger 16:10 Screen For Less Scrolling

The 16:10 aspect ratio provides larger visual workspace compared to a standard 16:9 display, making it easier to read articles, view websites, or work on spreadsheets.

### Flip & Stylus

Whether you prefer to write or type, in tablet or laptop mode, ExpertBook B7 Flip lets you work how you like, whenever you like. The handy tent, stand and tablet modes allow instant collaboration.

### Noise Cancelation

ExpertBook B7 Flip is designed to reduce distractions to give you high-quality communications, so it's perfect for the post-pandemic video-conferencing work life.

### Optimized Cooling

To give you maximum performance for any task, ExpertBook B7 Flip uses a new Advanced Hybrid Cooling System (AHCS).
