ASUS ProArt StudioBook 16 H5600QR

Born for Creative Pros

Turn your creative vision into reality with the ProArt StudioBook 16 studio laptop: it pushes every boundary to give you the effortless creative experience you've always wanted, but never thought possible. With a certified color-accurate 16-inch 2.5K 16:10 120Hz display, up to a breathtakingly powerful AMD Ryzen 5000 series processor and pro-grade NVIDIA GeForce RTX 3070 graphics, huge amounts of memory, advanced ultrafast storage, superb I/O connectivity, and ultra-precise fingertip control over your creative apps with the groundbreaking new ASUS Dial, ProArt StudioBook 16 is simply the best creator laptop we've ever made.

ASUS ProArt Studiobook 16 H5600QR

Redefine the way you work with ASUS Dial, an intuitive controller that gives you instant and precise control on creative apps - over 70 functions available to help streamline your creative workflow. ASUS ProArt Creator Hub features an overview dashboard, providing you tools to customize your settings including calibrating your display, personalizing ASUS dial settings and more.
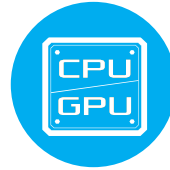

Powerhouse for Professionals

StudioBook is designed to provide you all the performance you need to handle the toughest creative projects along with a flexible memory configuration with up to a massive 64GB of high-speed RAM.

Refine the Way you Create

ASUS Dial - an intuitive physical controller that gives you instant and precise fingertip control over parameters in your creative apps. Change brush size, saturation or adjust layer opacity and so on.

Top-notch performance

Fast 3D graphics processing power is provided by NVIDIA GeForce RTX 3070 graphic card. Whether you're working on complex 3D scenes or high-quality live streaming.

Next-generation connectivity

With a full array of I/O, connecting to studio peripherals, display, and networks can't be easier.
