

# Take Advantage of the Emergency Connectivity Fund Program

Acer for Education wants to help you take advantage of stimulus funding through the Emergency Connectivity Fund. **The Emergency Connectivity Fund Program (ECF)** is funding to help US schools keep students, staff, and patrons connected. ECF has earmarked \$7.1 billion for FCC E-rate-eligible schools to purchase items like Chromebooks, laptops, tablets, Wi-Fi hotspots, modems, routers, data plans and more.

Acer's advanced hardware portfolio and innovative solutions provide the tools students and teachers need today to all learning environments – classroom, remote or hybrid.

Acer Education solutions are

- Reliable and Durable with all day battery and rugged MIL-STD approved designs.
- Secure by Design.
- AntiMicrobial solutions for additional protection.
- Backed by award winning US based premier support and programs for education
