Win every deal

Our Products

Transceivers

DACs & AOCs
Memory & more!

Media Converters

Fiber Cables

Custom Multi-coding

Multiple OEMs programmed on one single EEPROM

Custom units: If customers have an environment built up with different manufacturers it can reduce their inventory holding.

Cisco 40GB QSFP+
Example

HP 10GB SFP
Juniper 10GB SFP
Dell 10GB SFP
Arista 10GB SFP
Example

Connect switches with one high speed "breakout" cable

Quality

Testing is what sets us apart. Our proprietary Data Traveler System™ creates a living manifest of our production process.
✓ We test EVERYTHING before shipping

OEM Spec Testing

Every unit is custom code compatibility checked

Environment Testing
Each part is tested, guaranteeing performance

Quality Control

All orders are double checked and verified before leaving our building
