TERMS AND CONDITIONS

- Cannot be combined with HPE Partner Ready for Aruba Networking Program discounts, special pricing, deal registration, HPE Aruba Networking E-Rate discounts, or any other promotional offer.
- Each bundle of 5 units must be the same SKU/Model.
- Accessories like mounting kits and antennas are excluded from this promotion.
- HPE reserves the right to alter, or modify these terms and conditions at any time.

EXPERIENCE NETWORK AGILITY AT THE EDGE. FAST, SECURE, CLOUD READY Wi-Fi, FOR WHAT COMES NEXT.

Aruba wireless access points boost IT, user, and IoT experiences with enterprise connectivity that's intelligent, fast, and secure.

- **Cover your bases** - Aruba Wi-Fi 6 and Wi-Fi 6E APs include enterprise, branch, plug-and-play for remote workers, outdoor, and hardened versions for a wide-range of use cases and price points.
- **Simplify network operations** - Built-in network intelligence supports advanced capabilities like AI-powered RF optimization, dynamic segmentation, service assurance, and smart management options for improved IT and user experiences.
- **Secure the network** - WPA3 and Enhanced Open improve user and guest encryption, while PEF uses role-based access control and DPI to isolate and segment traffic. Aruba ESP enables Zero Trust Network Security for devices and IoT.
- **Upgrade your network** and improve your systems agility to be ready for what comes next! There's no better time than now, when you can buy 5 of our Cloud-ready Access Points for the price of 3!
