

Free Cisco DNA Center Appliance with Qualifying Subscription Purchase

Get a free Cisco DNA Center appliance with a Cisco DNA subscription net purchase of at least US\$100,000, either a-la-carte or through a Cisco Enterprise Agreement (EA).

Promotional details

Get a free Cisco DNA Center appliance when you make a US\$100,000 or more net purchase of Cisco DNA software licenses for switching and/or wireless. Any subscription tier and any term length qualify, as long as the net-purchase threshold is met. You can make the purchase a-la-carte or through a Cisco EA.

Benefits

Cisco DNA Center is the network management and command center for Cisco DNA, your intent-based network for the enterprise. Provision and configure all your network devices in minutes. Use advanced artificial intelligence (AI) and machine learning (ML) to proactively monitor, troubleshoot, and optimize your network. Integrate with third-party systems for improved operational processes.

- Eligible suites: Switching, wireless
- Eligible subscriptions: Cisco DNA Advantage or Cisco DNA premier; any term (3, 5, or 7 years).

This offer is available globally and is valid through July 30, 2022.
