NEED COMPANY WIDE EMAIL SIGNATURES?
TALK TO US TODAY

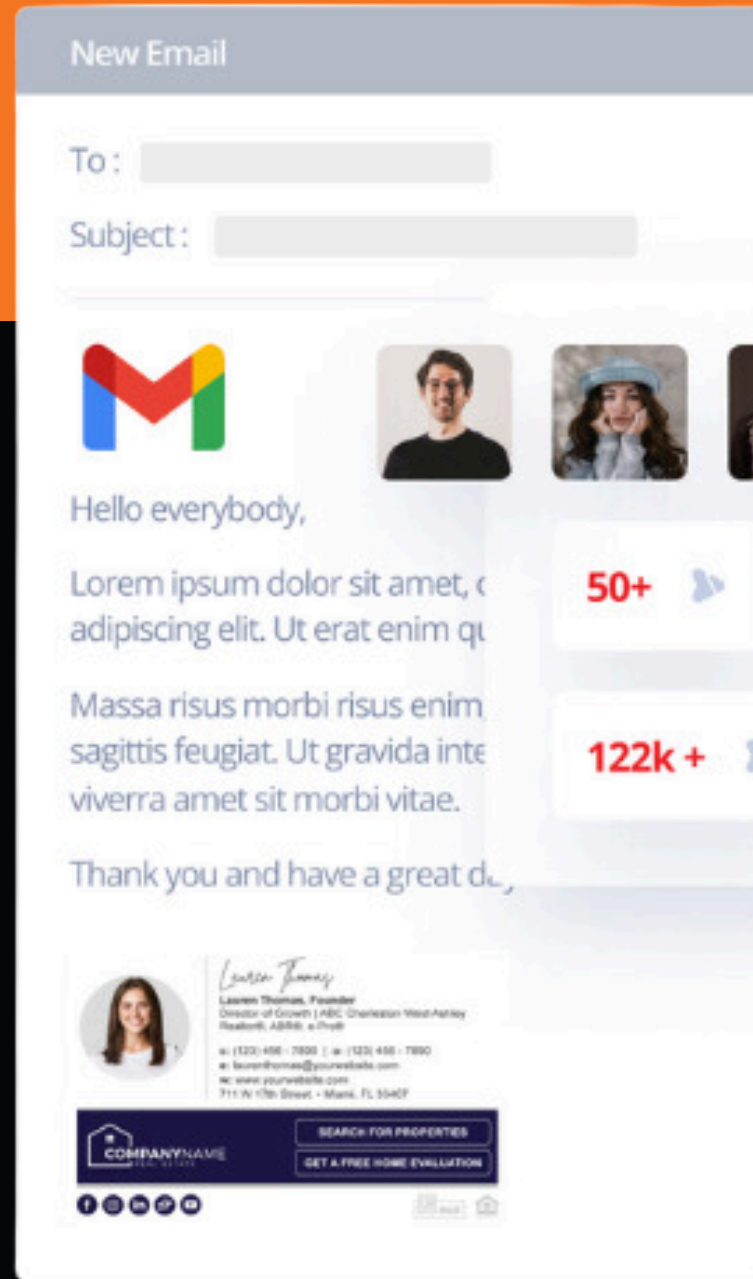

Maintain brand consistency across all departments and teams with Crossware

Do all departments and teams within your agency create signatures by themselves? Do they lack brand consistency across departments and also across devices? Protect your brand. Standardize email signatures across the entire agency using Crossware.

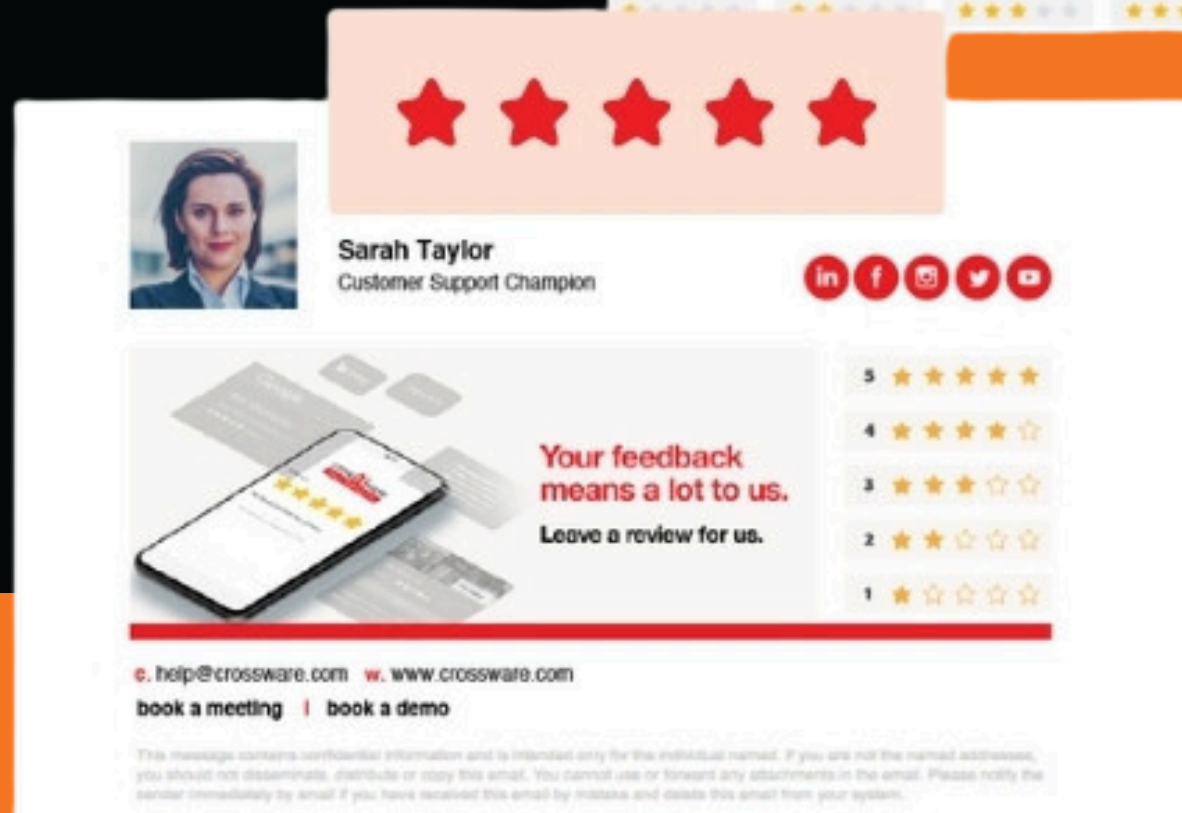

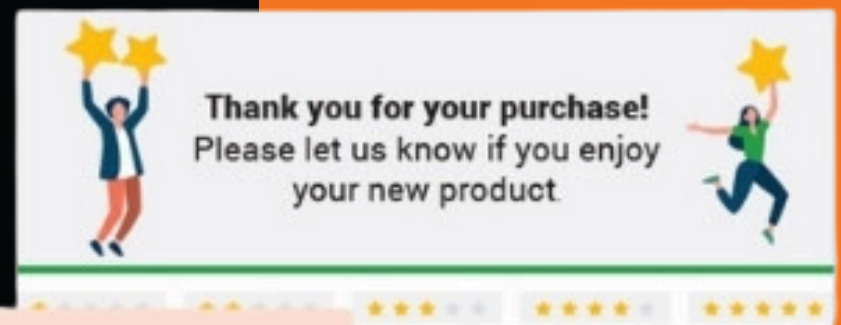

Run banner ads to promote new property listings

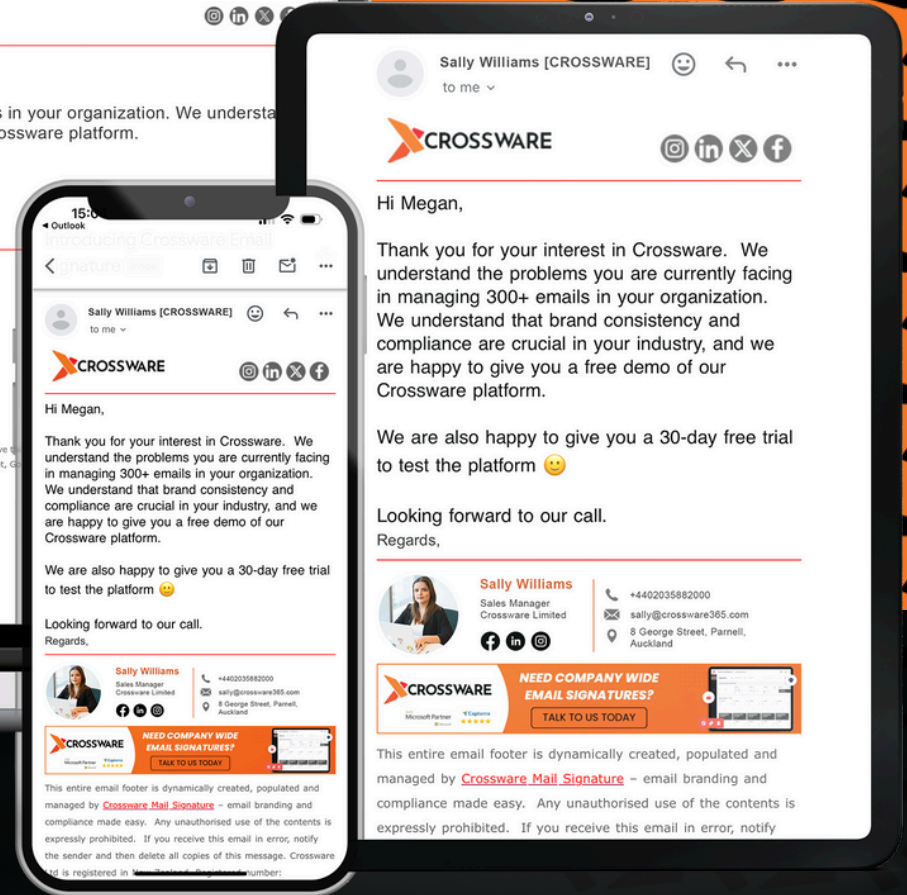

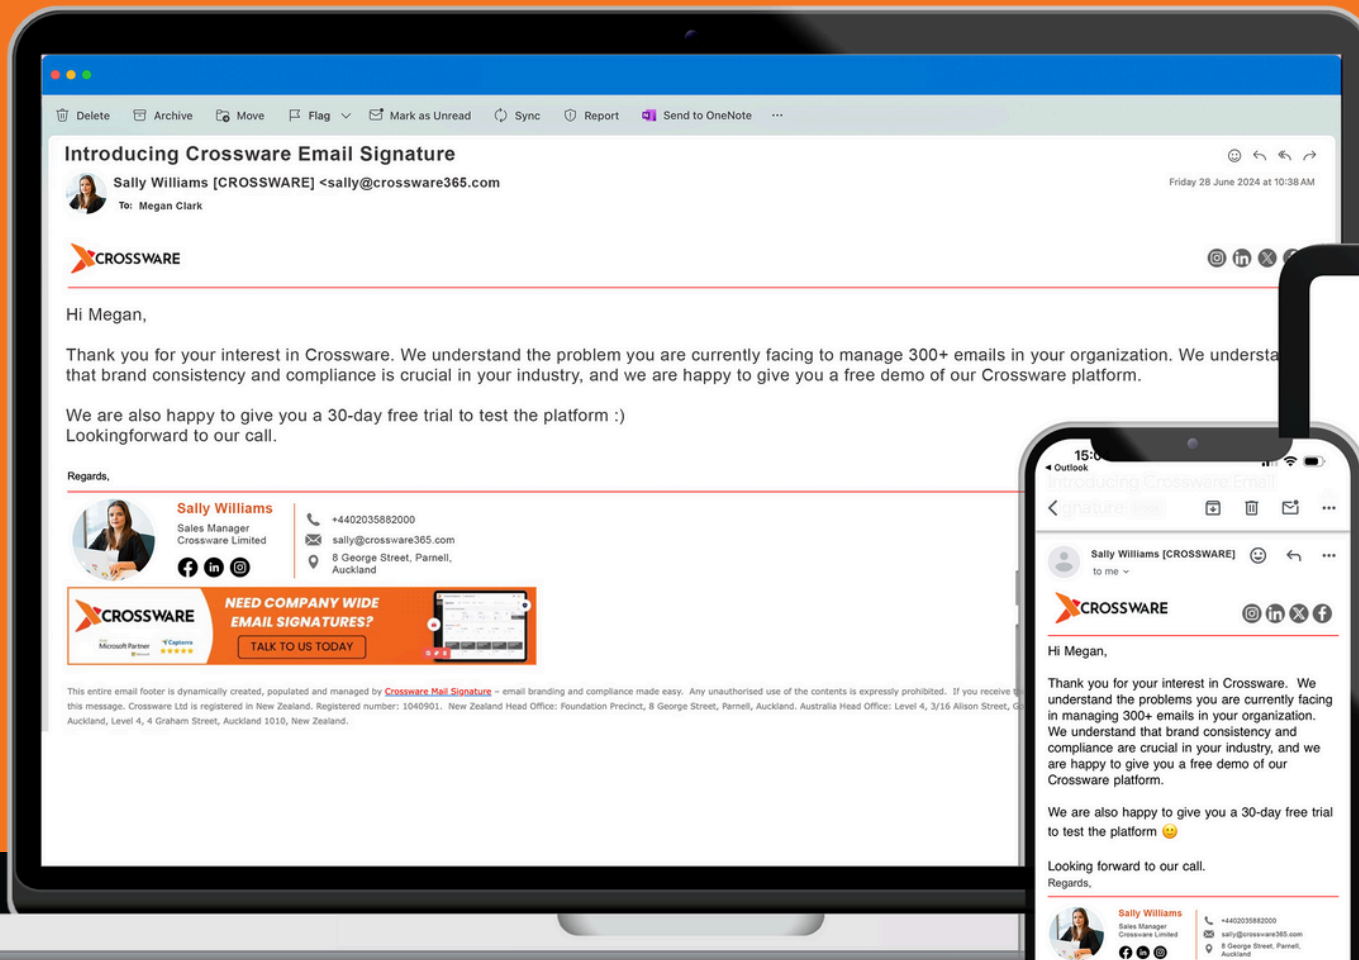

Take advantage of this untapped sales channel by turning every email into an opportunity. Put your signature to work with targeted campaigns. Promote new listings, events, discounts and offers.

Collect Surveys and Feedback

Crossware's seamless product extension into consumer feedback, reviews, and surveys enables you to collect surveys and feedback from your customers & build brand trust.
