# Ultra-Mobile, Ultra-Powerful and Ultra-Secure

## TECRA® A40-J

Offering performance, speed, and style, the all-new Tecra® A40-J from Dynabook is perfect for making any place a productive workspace. It boasts a durable new chassis wrapped in Mystic Blue that is both thin and lightweight. Opening the lid exposes a vibrant, 14-inch slim-bezel display, webcam with privacy shutter, full-size, backlit keyboard, and large SecurePad. 11th-Gen Intel® Core™ processors and Intel® Iris® X$^e$ graphics deliver exceptional performance, while Thunderbolt™ 4 supports blazing fast connections to external storage, displays, and more. Backed by Dynabook's proven durability and reliability, the all-new Tecra A40 is the right laptop to work anywhere.

**Dynabook recommends Windows 10 Pro for business**

# TECRA® A40-J

**Processor**
Offering an array of powerful processors, including 11th Gen Intel® Core™ i7 vPro® with Intel® Iris® X$^e$ graphics for enhanced visual performance, the Tecra A40 delivers the industry-leading speed, visuals, security, and enhanced connectivity features demanded by modern businesses.

**Operating System**
The Tecra A40 comes with Windows 10 Pro, which offers excellent data protection, encryption, and unparalleled software compatibility with world-class productivity applications, making it the ideal operating system.

**Storage**
Business laptops shouldn't just be powerful, but dependable too. That is why the Tecra A40 comes standard with fast, responsive and reliable SSD storage.

**Audio**
Great for collaborating and videoconferencing, the integrated stereo speakers produce crystal clear audio, while DTS® audio processing dials in the performance for different listening types.

**Input Devices**
Packed within the small footprint of the Tecra A40 is a full-sized, backlit keyboard and a large SecurePad, that together provide a comfortable and productive workspace.

**Docking**
Packing a healthy selection of ports for displays, data sharing, and power, Dynabook offers both a USB-C® Dock and Thunderbolt™ Dock to connect up to three external displays and a variety of peripherals.

## Standing Out From the Crowd
The Tecra A40 boasts a unique Mystic Blue chassis with a distinctive raised wave detail on the lid that stands out from a sea of look-alike competitors. The laptops also incorporate an EPA-approved antimicrobial paint additive called IONPURE® IPL1 to help inhibit the growth of bacteria.

## Powerful Laptop with High-Performance Processor
Offering the latest 11th-generation Intel® Core™ processors and up to 64GB of memory, the Tecra A40 can be outfitted for serious performance. The Intel® Iris® X$^e$ graphics offers exceptional visual performance, accelerates AI processing and enhances security.

## Mastering the Modern Hybrid Workplace
Beyond its go-anywhere portability and unrelenting security, the Tecra A40 fosters a collaborative modern workplace with its HD webcam with privacy shutter, dual microphones and powerful stereo speakers with DTS® audio enhancement.

## Fortified for Mission-Critical Security
Engineered to meet Microsoft's strict Secured-core PC requirements, the Tecra A40 features secure hardware and software designed to offer unrelenting protection against data, device, and identity threats.

## A Full-Size Workspace in a Compact Footprint
Now lighter and more compact than ever, the Tecra A40 packs a full-size workspace, complete with a slim-bezel 14-inch display, full-size backlit keyboard and large SecurePad.

## Simple, High-Speed Connectivity
With two Thunderbolt™ 4 ports, users can connect to modern accessories, docks, displays, and more at blistering speeds. Dynabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

## Torture Tested to Military Standards
Go from the office to customer sites and anywhere in between with confidence that your laptop will endure the environment. With an all-new, lightweight chassis design, the Tecra A40 easily holds up to military standard (MIL-STD-810H) testing for strength and durability.

## Backed by the Best Warranty in the Business
The Tecra A40 comes standard with Dynabook's +Care Service® Warranty with On-site service (3 years for featured configurations, 4 years for build-to-order configurations). +Care Service warranties help businesses reduce IT costs by minimizing laptop downtime.
