Unleashed Productivity and Security for the Hybrid Workplace

TECRA® A50-J

From the corner office to the dining room table, the all-new Tecra® A50-J from Dynabook is the perfect workhorse for the hybrid workplace. With its stylish, thin and lightweight chassis, this Secured-core PC transforms any place into a secure space. A slim-bezel 15.6-inch display offers a more expansive view of work, while a full-size, backlit keyboard with 10-key, SecurePad, and webcam with dual noise-suppressing mics maximize productivity and collaboration. 11th-Gen Intel® Core™ processors, Intel® Iris® X^e graphics, and Thunderbolt™ 4 deliver work-crushing performance and speed. With no shortage of style, durability, and productivity-boosting technology, the Tecra A50-J is well-equipped for success.

TECRA® A50-J

Processor
Offering an array of powerful processors, including 11th Gen Intel® Core™ i7 vPro® with Intel® Iris® Xᵉ graphics for enhanced visual performance, the Tecra A50 delivers the industry-leading speed, visuals, security, and enhanced connectivity features demanded by modern businesses.

Operating System
The Tecra A50 comes with Windows 10 Pro, which offers excellent data protection, encryption, and unparalleled software compatibility with world-class productivity applications, making it the ideal operating system.

Storage
Business laptops shouldn't just be powerful, but dependable too. That is why the Tecra A50 comes standard with fast, responsive and reliable SSD storage.

Audio
Great for collaborating and videoconferencing, the integrated stereo speakers produce crystal clear audio, while DTS® audio processing dials in the performance for different listening types.

Input Devices
Packed within the small footprint of the Tecra A50 is a full-sized, backlit keyboard with 10-key and a large SecurePad, that together provide a comfortable and productive workspace.

Docking
Packing a healthy selection of ports for displays, data sharing, and power, Dynabook offers both a USB-C® Dock and Thunderbolt™ Dock to connect up to three external displays and a variety of peripherals.

Standing Out From the Crowd
The Tecra A50 boasts a unique Mystic Blue chassis with a distinctive raised wave detail on the lid that stands out from a sea of look-alike competitors. The laptops also incorporate an EPA-approved antimicrobial paint additive called IONPURE® IPL1 to help inhibit the growth of bacteria.

Powerful Laptop with High-Performance Processor
Offering the latest 11th-generation Intel® Core™ processors and up to 64GB of memory, the Tecra A50 can be outfitted for serious performance. The Intel® Iris® Xᵉ graphics offers exceptional visual performance, accelerates AI processing and enhances security.

Mastering the Modern Hybrid Workplace
Beyond its go-anywhere portability and unrelenting security, the Tecra A50 fosters a collaborative modern workplace with its HD webcam with privacy shutter, dual microphones, and powerful stereo speakers with DTS® audio enhancement.

Fortified for Mission-Critical Security
Engineered to meet Microsoft's strict Secured-core PC requirements, the Tecra A50 features secure hardware and software designed to offer unrelenting protection against data, device, and identity threats.

A Full-Size Workspace in a Compact Footprint
Now 20-percent lighter and 17-percent smaller than its predecessor, the Tecra A50 packs a full-size workspace, complete with a slim-bezel 15-inch display and full-size backlit keyboard with 10-key and large SecurePad.

Simple, High-Speed Connectivity
With two Thunderbolt™ 4 ports, users can connect to modern accessories, docks, displays, and more at blistering speeds. Dynabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

Torture Tested to Military Standards
Go from the office to customer sites and anywhere in between with confidence that your laptop will endure the environment. With an all-new, lightweight chassis design, the Tecra A50 holds up to military standard (MIL-STD-810H) testing for strength and durability.

Backed by the Best Warranty in the Business
The Tecra A50 comes standard with Dynabook's +Care Service® Warranty with On-site service (3 years for featured configurations, 4 years for build-to-order configurations). +Care Service warranties help businesses reduce IT costs by minimizing laptop downtime.
