

The Total Economic Impact™ Of HP Elite Slice G2 And Video Conference Collaboration

FORRESTER®

Through five customer interviews and data aggregation, Forrester concluded that HP Elite Slice and video conference collaboration has the following three-year financial impact.

SUMMARY OF BENEFITS

Three-year risk-adjusted

HP ELITE SLICE G2 BY THE NUMBERS

\$2,000 to \$3,000 saved per video conference room outfitted with Elite Slice G2 and peripherals.

IT support effort reduced by up to **50 hours** per week.

Five minutes saved on average at the beginning of each meeting.

VOICE OF THE CUSTOMER

“Our clinical staff have really embraced the virtual collaboration. They love it. They love the content sharing, and the fact that they can pull up any image of a patient and discuss a course of action for healthcare with others online.”

*Telemedicine and VC manager,
healthcare industry*

“A great thing about the HP Elite Slice G2 is that it’s so universal. It offers the engine, and it will then interface with whatever speaker, whatever microphone, whatever camera you want to integrate it with.”

*UCS engineer,
risk and analytics industry*
