

# Harness the Power of Student Devices with 5-E Model Learning Experiences

1 **Engage**

Name something you see in the painting. If you want to list more than one thing, separate the items with a comma.

gold diggers famers  
native americans  
train bear  
angel covered wagon  
covered wagon

2 **Explore**

3 **Explain**

As you read, complete the graphic organizer to record some of the roles that women played to assist the Continental Army on or near the battlefields.

Women and the Continental Army

- as soldiers
- as spies
- as nurses
- as journalists

4 **Elaborate**

5 **Evaluate**

Students	1	2	3	4
Allie Bonner	no rating	incorrect	partial	correct
Ava Needham	correct	correct	correct	correct
Blanca Smith	correct	correct	correct	correct

Teachers guide the device-enabled learning experiences, and all students actively contribute.

## Student-centered, Data-driven instruction, Simplified.

Students collaborate with peers using social media skills. Exploros gives teachers instant feedback, so they can address misconceptions or reteach on the spot. Automatic Classroom Analytics™ drive personalization and instructional improvement.

*“Exploros puts both the technical side and the academic side along with the motivational side, and the kids just love it.”*

Paul Miller, Assistant Superintendent,  
McGregor Independent School District
