

SAMSUNG

Galaxy Tab Active3

Work doesn't stop. Neither will you.

Meet real-world challenges.

Full military-grade design allows your team to tackle nearly any job in any place in any conditions.

All the tools you need, all in one tablet.

The performance you need to achieve the productivity you want. Do it all on the Galaxy Tab Active3.

Keep your business secure from the chip up.

Management tools, accessories and services work together to help keep teams running smoothly, all while staying secure.

Galaxy Tab Active3

Work better in almost any place, in any conditions.

Stand up to real-world challenges.

MIL-SPEC-certified and IP68-rated

- Tab Active3 and S Pen are:
 - MIL-STD-810H-certified¹
 - Anti-shock for drops up to 1.5 meters (4.9 feet)²
 - IP68-rated for water-resistance³

Long-lasting and replaceable batteries

- 5,050mAh, fast-charging, replaceable battery.⁴
- No Battery Mode enables all-day operation without the battery, ideal for use in a vehicle such as a forklift or truck, or for use in a kiosk.⁵

Enhanced Touch and Glove Touch capability

- Works in rainy and snowy conditions.
- Works while wearing gloves.⁶

Compatible with most of your existing accessories

- Same shape and size as the Tab Active2, so most of your existing accessories will be compatible.⁷

TAA-compliant option

- Complies with the federal Trade Agreements Act (19 U.S.C. and 2501-2581).

Do more with a single device.

Wireless DeX

- Connect to a smart TV or monitor for a multi-window desktop experience.⁸

Broad connectivity

- Connect with Wi-Fi 6 version or optional LTE version.⁹
- Supports Bluetooth, dual antenna MIMO, and NFC.⁹

Programmable Active key

- Programmable Active key can customize and streamline tasks to a single click, whether it's launching a critical business application, scanning or using Push-to-Talk.

mPOS-ready

- Meets EMV Level 1 standard to accept payments without additional hardware.¹⁰

Android operating system

- Familiar Android OS reduces user learning curve.

Be business-ready and secure.

Enterprise Edition

- The Galaxy Tab Active3 is Enterprise Edition-ready, and includes:
 - 1 year of free Knox Suite (Knox Manage, Knox Platform for Enterprise, Knox E-FOTA, Knox Mobile Enrollment)^{11,12}
 - 3-year product lifecycle
 - 5-year Security Maintenance Release program¹¹

Defense-grade security

- Security platform that protects data from the chip up.¹²

Customize your capabilities

- A rich ecosystem of software and hardware integrations allow you to tailor the Galaxy Tab Active3 to your particular industry.¹³

SAMSUNG

©2022 Samsung Electronics America, Inc. Samsung, Galaxy, Tab Active3, Tab Active2, DeX and Knox are all trademarks of Samsung Electronics Co., Ltd. Other company names, product names and marks mentioned herein are the property of their respective owners and may be trademarks or registered trademarks. Appearance of devices may vary. Screen images simulated. Printed in U.S.A. TAB-TABACTIVE3-SPEC-JAN22T

¹These devices passed military specification (MIL-STD-810H) testing against a subset of specific environmental conditions, including temperature, dust, shock/vibration, and low pressure/high altitude. Real world usage varies from the specific environmental conditions used in MIL-STD-810H testing. Samsung does not guarantee device performance in all extreme conditions. Please see the Quick Sales Guide included in box. ²1.5M drop is tested only with the case on. Without the case, the device itself can withstand a drop from 1.2M. ³Water resistant in up to 5 feet of water for up to 30 minutes. Rinse residue/dry after wet. ⁴Based on average battery life under typical usage conditions. Average expected performance based on typical use. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application-usage patterns. Results may vary. ⁵No Battery mode is an optional battery safety feature developed to enable Galaxy Tab Active3 to operate without battery, and with fixed and continuous power supplied. Not all use cases are recommended or advised. ⁶Glove mode is compatible with most gloves and in wet conditions, but does not work as intended with extremely heavy-duty gloves or mittens. ⁷External Form factor has remained the same, but buttons and port positions have shifted since older models. Please refer to device diagrams online prior to purchase to confirm previous cases will be compatible. ⁸DeX can be activated via Samsung Galaxy Tab Active3 with or without a cable only on supported monitors. Accessories and monitor sold separately. Connection is also possible with Samsung DeX by using an HDMI adapter, multi-port adapter or cable. Using a genuine Samsung HDMI adapter or cable qualified for Samsung DeX is recommended. Certain apps may not run or may require additional licenses on Samsung DeX. ⁹LTE functionality is available from Verizon, AT&T and T-Mobile and requires a monthly plan that cannot be purchased through Samsung. Wi-Fi 6 and MIMO support coverage may differ depending on environment and coverage. ¹⁰mPOS functions as intended with NFC-enabled contactless credit cards only and compatible back-end processing systems. ¹¹Enterprise Edition devices are sold with one free year of Knox Services and security. Following that first year, plans are sold based on MSRP or price end-user paid, whichever is less. Total duration includes one year of standard limited warranty. Labor-only costs for mechanical and electrical breakdown are covered from date of purchase. Both parts and labor costs are covered after the manufacturer's warranty expires through the plan term. ¹²For the full list of Knox certifications, please visit samsung.com/knox. ¹³Compatibility is not guaranteed with all partners or integrations. ¹⁴Total amount of available memory may be less based on configuration. ¹⁵Portion of memory occupied by existing content. ¹⁶MicroSD card sold separately.
