

# The fast, light essential for every front line

Meet Microsoft Surface Go 3

When your front-line employees can move seamlessly from task to task during a busy day, productivity and business performance naturally improve. That can't happen at a single desk, counter, or office. From field techs to call reps, your modern front line needs a versatile tool with the always-connected power to speed through tasks, information, and interactions and exceed customer expectations anywhere.

Meet the new Microsoft Surface Go 3. It's the Surface designed to help your frontline workforce deliver next-level service with the muscle and versatility to meet and exceed the call.

## Get more done everywhere

Power through every fast-moving day, from virtual team meetings to getting signatures with the Microsoft Surface Pen.<sup>1</sup>

### Make every task a light lift

Surface Go 3 is our most portable Surface ever. At 1.2 lb., it delivers the punch of a 10th Gen Intel® Core® i3 processor.

### Write, sketch and sign naturally

With Surface Pen, write like pen on paper with precision ink, plus tilt for drawing, great sensitivity and virtually no lag.<sup>1</sup>

### Polish every presentation

Products, presentations, and training videos look their best on a bright 10.5" PixelSense HD display.

### Gain energy to spare

Your people stay energized all day, Surface Go 3 keeps up with 11 hours of on-the-go power.<sup>2</sup>

## Make the connections that matter

### Deliver on requests faster

When customers want it, they want it now. Surface Go 3 with its faster-than-ever processor helps shorten response times.

### Connect from anywhere

Give teams the power and freedom of secure LTE Advanced<sup>3</sup> connectivity and Microsoft Teams wherever they need it.

### Flex to the task at hand

Because no two interactions are alike, Surface Go 3 adapts with tablet, laptop, and studio modes and every angle in between.

### Project your best image

Look and sound great in staff meetings, presentations and video calls with the HD camera and Dolby® Audio™ on Surface Go 3.

## Put speed on the front line

## Choose how you take on the hybrid future

The new Surface Go 3 delivers flexibility and performance to meet the needs of the hybrid workplace.

You can choose either the current Windows 10 or new Windows 11 operating systems.

Whether your front line is in the field on technical repairs, in an exam room, or out on the show room floor, your people need fast, reliable, and highly portable connection to the tools and information to get their jobs done. The new Surface Go 3 delivers on all fronts with the power of a laptop, the detailed brilliance of an HD screen, and the go-anywhere versatility of a tablet. That keeps your people, and your business moving at light speed.
