

HP ELITE DISPLAY E-SERIES

Deploy an everyday office workhorse that looks like a thoroughbred. The HP Elite Display E-Series meets your demanding presentation, performance, connectivity, and ergonomic needs and looks great while doing it.

They're available with three-sided micro-edge bezels, perfect for multi-display setups that provide expansive, uninterrupted views. Choose from full, WUXGA, or Quad HD in screen sizes up to 27" diagonal, advanced connectivity, and the best comfort adjustability HP has to offer.

Maximize productivity in small spaces with models that combine expanded functionality in a single display footprint with features like expertly tuned Audio by Bang & Olufsen and a webcam for collaboration, a touchscreen for onscreen interactivity, or an integrated in-stand dock and port replicator for your device and accessories.
