# HP Home & Office, Photo, and Business Papers

Papers that make a difference

Not all papers are the same. HP offers a broad portfolio of papers that are uniquely designed, responsibly sourced, and deliver high-quality, reliable results. Print stunning color photos and professional documents on papers that help protect the world's forests.

## Professional quality

Print on HP Papers when you need to get it right the first time. HP Papers deliver high-quality photos and documents that stand out from the rest.

## Broad portfolio

We've got you covered. HP Papers are manufactured in various weights, sizes, and finishes for important or everyday projects. Whether printing with toner or ink, the HP Papers portfolio gives you choices to meet your printing needs.

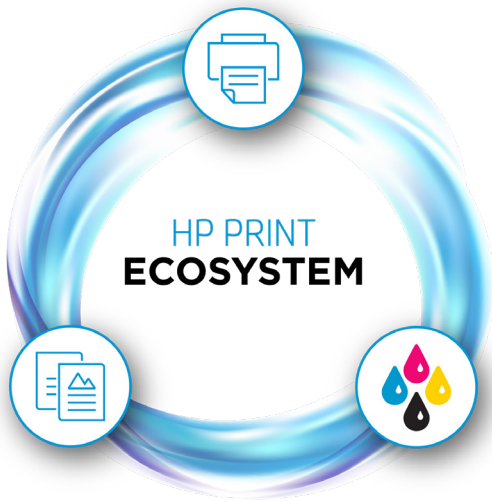

## Responsibly sourced

Feel good about printing. HP Papers are responsibly sourced, to help ensure our forests are managed responsibly.

## Expertly designed

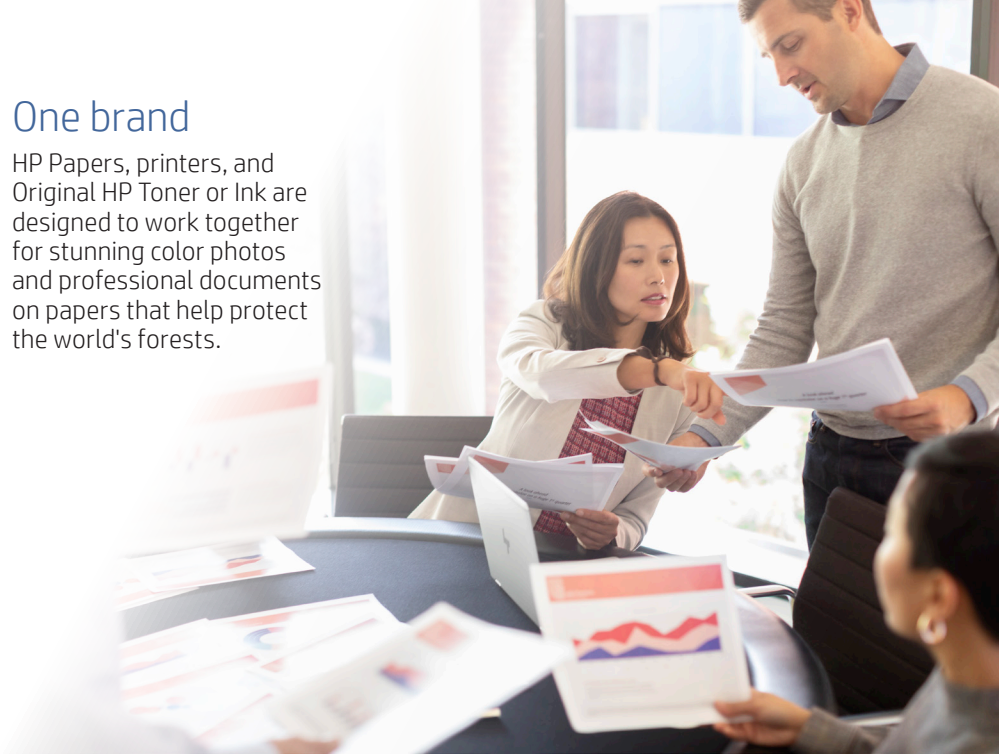

HP Papers are engineered to rigorous performance standards to help ensure consistent output, resist jams, and prevent curling. And combined with Original HP Toner or Ink, your prints can be exceptional.

## One brand

HP Papers, printers, and Original HP Toner or Ink are designed to work together for stunning color photos and professional documents on papers that help protect the world's forests.

Vivid colors, bolder blacks<sup>1</sup>

HP Home & Office Papers with ColorLok® Technology offer vivid colors, bolder blacks, and faster drying time when printing on inkjet printers,<sup>1</sup> so you get outstanding print quality and reliability for the documents you print every day.

Sustainable printing

HP Papers are designed with the environment in mind. By printing on FSC®-certified<sup>2</sup> and/or EU Ecolabel<sup>3</sup> papers, you support healthy, thriving forests, which is one element in addressing climate change.

Recyclable after use

Most HP Home & Office Papers, HP Business Papers, and HP Photo Papers are recyclable in collections that accept mixed paper.<sup>4</sup>
