

HP ScanJet Pro 4200 s1

New for Q3 FY25

Save time with fast, unattended scanning

Easy passport and ID scans

Get ease of use, with direct, **front-enabled passport and ID scans**, without having to use a carrier sheet.

Protect fragile documents

Keep fragile documents preserved, with the Low-speed mode, which protects thin papers while scanning.

50-page ADF

Load your documents for scanning and go about your day with the fast, 50-page Automatic Document Feeder.

Fast scanning

Get fast scanning with speeds up to **40 pages/ 80 images per minute¹** - recommended for 4,500 pages per day.

One-pass duplex scanning

Save time and reduce waste with **two-sided scanning** that captures all your data in a **single pass**.

HP EveryPage

Capture a wide range of documents—even stacks of mixed media sizes and types—with HP EveryPage.
