Rapid alerts

Screens instantly share alerts and instructions in the event of bad weather, health risks or safety threats.

The screen is divided into two main sections. The left section displays weather information: 'Weather now' with a temperature of 68°F (20°C) and a sun behind a cloud icon. Below this are three smaller panels for 'Afternoon' (cloud icon), 'Evening' (cloud with lightning icon), and 'Overnight' (moon icon). The right section features a yellow warning triangle with an exclamation mark, followed by the text 'ATTENTION!', 'SEVERE WEATHER WARNING', and 'IN EFFECT FROM 8:00 PM'. At the bottom of the right section is a 'HEALTH & SAFETY MEASURES' section with a list of five items, each represented by a blue bar.

10
