

THE WORLD'S MOST INTELLIGENT STORAGE

For mission-critical apps¹

HPE PRIMERA

Extreme resiliency and performance with the agility of the cloud

“

“HPE is **melding the simplicity** of Nimble Storage, the mission-critical heritage of 3PAR, and the intelligence of InfoSight into a single high performance, highly available, and highly scalable large enterprise storage solution.”²

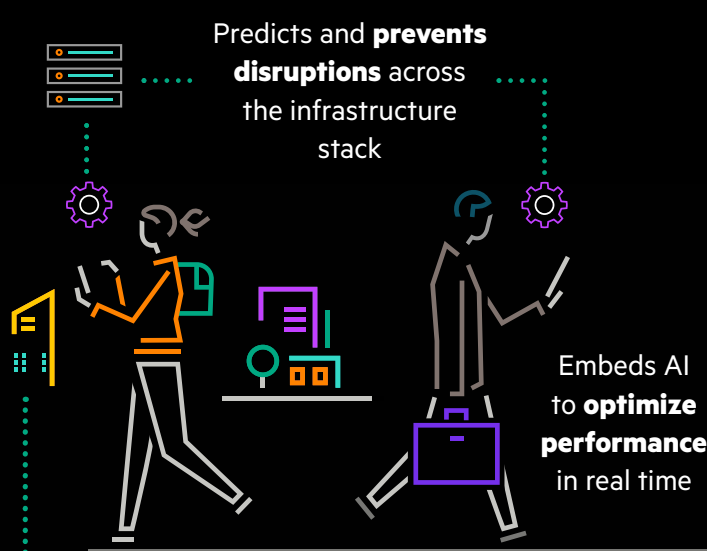

IDC

GLOBAL INTELLIGENCE

Powered by HPE InfoSight, the most advanced AI for infrastructure

Over **1250** trillion data points analyzed

1.5M hours saved

No tuning required, with every resource **always balanced**

ALL-ACTIVE ARCHITECTURE

Enables limitless parallelization with multi-node controllers

Up to **1.5M** IOPs for **always-fast** performance

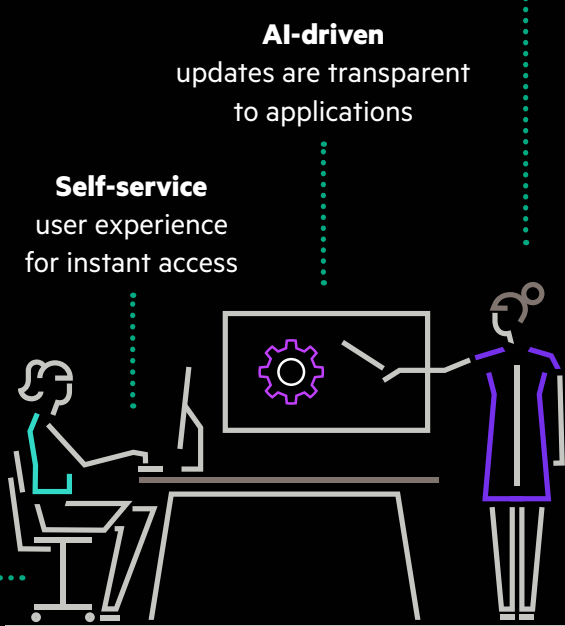

SERVICES-CENTRIC OS

Eliminates risk and simplifies management

20 minute rack-to-apps

seconds to provision

5 minute no-risk upgrades

Non-disruptive controller refresh

All-inclusive software

Flat support pricing

Storage guarantees for data reduction and availability

TIMELESS STORAGE

Transforms the ownership experience

Always modern with no forklift upgrades

“

“HPE Primera is a **modern high-end platform** that brings the cloud experience on-premise while delivering the performance, availability, and scalability needed for mission-critical workloads.”²

IDC

INNOVATE WITHOUT COMPROMISE

On-demand experience

93%

time savings

App-aware resiliency

100%

availability guaranteed

Predictive acceleration

122%

faster performance
