

What is the Express Install for MSFT Teams Rooms LG Bundle?

What is the Express Install for Microsoft Teams Rooms Jabra and LG Bundle?

It is a compilation of partners coming together to deliver a single solution to our customers. In this case, it is the Jabra PanaCast 50 MTR, the Salamander Acadia Tabletop Stand, and choice of 43", 50", 55" or 65" LG display (UR640). From set up to full running, the Express Install for Microsoft Teams Rooms bundles should see our end users up and running in under 90 minutes.

Express Install for Microsoft Teams Rooms components featuring:

- Jabra PanaCast 50 MTR or VBS
- Salamander Acadia Tabletop Stand
- Choice of 43", 50", 55" or 65" LG Display (UR640)
