

a matchless learning machine.

Introducing the 500e Chromebook, a state-of-the-art learning tool.

Powerful, portable, and packed with premium features, the 500e brings the “class” to every classroom. In addition to its Gorilla-Glass HD touch screen, the 500e comes automatically paired with an EMR pen, which can be conveniently stored inside the system after note-taking and interacting with all your favorite education apps. It comes with a world-facing camera and the ability to bend into four different modes, making the 500e flexible when creating and sharing work via G Suite for Education and Google Classroom. Plus, Chrome Education makes administering and managing a fleet of Chromebooks simple and secure, it's easy to see why the 500e is the device many educators say has improved the speed and quality of class prep.

Paperless Potential

Every 500e device comes with a 11.6" HD multi-touch display and a responsive, pressure-sensitive EMR pen that can be conveniently stored in a built-in compartment. Plus this pen pal doesn't need charging or pairing so it's super easy to share. With a 360° Yoga Hinge, the 500e seamlessly bends into 4 different modes - perfect for extensive note taking, fine art, and detailed arithmetic.

Durability Done Right

The 500e graduates with high honors in durability. Its rubber bumpers help to withstand drops up to 75cm. Even the touch screen is damage resistant, built with chemically-strengthened Gorilla Glass. Plus, the keyboard not only features mechanically anchored keys but a water-resistant design. Pair all that with the rugged, reinforced flexibility of a 360° Yoga hinge and you've got a machine built to withstand even the most chaotic classrooms.

Classroom Compatible

With its Intel 2.2 GHz Celeron processor, the 500e is packed with power and unparalleled speed. It can run all your favorite education apps like Alma, Activity Learn, GeoGebra, and more. The 500e comes equipped with G Suite for Education, which allows students to securely access their personal interface and cloud files from any device with the simple login of a Google ID. Plus with Google Classroom, the 500e makes it simple for school administrators to control access and updates on multiple devices.

The Total Learning Tool

Only 2.97lbs and 20.35 mm thin, the 500e is a sleek and efficient educational accessory. With up to 10 hours of battery life*, students can work through an entire school day on one charge. Plus it's equipped with a world-facing camera which can capture photos and videos from any direction, making the 500e full of premium possibilities.

500e Chromebook

Specifications

Performance

Processor	Intel Celeron N3450 (2M Cache, up to 2.2 GHz)
Operating System	Chrome OS™
Graphics	Intel® Integrated graphics
Memory	4GB or 8GB

- Kensington lock slot

Lenovo Offerings & Services

Chrome Education license

Chrome Education license enables IT administrators to manage a fleet of Chrome devices within a centralized, easy and intuitive software interface. Lenovo makes it easy to acquire as an OEM authorized distributor of Commercial Chrome Education license.

Warranty upgrades - onsite and next business day

Maximize PC uptime and productivity by providing convenient, fast, repair service at your organization.

Warranty extensions (1-3 years total duration)

This fixed-term, fixed-cost service helps accurately budget for Chromebook expenses, protects your valuable investment and lowers the cost of ownership over time.

Accidental damage protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or screen damage.

G Suite for Education

Easy access to Google's G Suite family of apps keeps everything under one roof and free of software licensing fees. Simple cloud management and 24/7 support make Chromebooks easily scalable to any size classrooms, big or small.

Options / Accessories

USB-C to HDMI Adapter

Lenovo Laser Wireless Mouse

Lenovo Professional Wireless Keyboard

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.
