

SEAL SHIELD™ MEDICAL SCREEN PROTECTORS

Model: SSP

Ultra-Clear Screen Protectors from Seal Shield™ are purposefully designed using patented, multi-layer technology composed of a unique 3-layer construction for added tensile strength to protect against dings and scratches. Screen Protectors are UV-resistant and compatible with medical-grade cleaners & disinfectants for the convenient cleaning of high-touch screens in any environment without damage to electronics. Screen Protectors are available in customizable sizes for any flat screen monitor, surgical monitor, patient monitor, display screen, tablet, or mobile device.
