PERSONAL COLLABORATION

Enhance every opportunity for collaboration with HD-quality video in any workspace—in the office or while working remotely. Logitech® business webcams are certified for leading business software applications, so you can be sure they integrate seamlessly with what you already use.

LOGITECH BUSINESS WEBCAMS

Logitech business webcams offer high-precision optics with autofocus for remarkable resolution and clarity to help you look your best. With Logitech RightLight™, you can be seen clearly in low light and bright sunlight. Plug-and-play compatibility means your webcam is simple to use out of the box and performs seamlessly with virtually any video conferencing software. All Logitech business webcams include three-year warranties and our top-of-the-line models have the ability to update firmware³ in the field.

LOGITECH WEBCAMS FOR BUSINESS

Logitech business webcams are compatible with most common operating systems including Mac and Windows. They are Certified for Skype® for Business and Microsoft® Teams², Cisco® compatible and built for enhanced integration with Logitech Collaboration Program members.³ In addition, Logitech offers firmware update support for I.T. peace of mind.¹ Brio can even integrate with Microsoft® Windows Hello™ to log onto computers using facial recognition—no passwords needed.
