

Surface Laptop Go 2 for Education

Sleek and light for teaching and learning anywhere

Balancing performance and portability, Surface Laptop Go 2 meets the everyday demands of education through the Office 365 tools¹ your students and educators are used to—all in a sleek design with long-lasting battery life to cover the whole school day.² Surface Laptop Go 2 is perfect for...

Grade 6-12 educators and students

Upgrading your classroom technology doesn't have to be hard on your budget. Give students and teachers modern devices that are durable and easy to repair. And reduce headaches for your IT team with zero-touch remote deployment, one-click device management, and protection from Microsoft to help keep student data safe.

Higher education faculty and students

Unlock a more engaging teaching and learning experience with a laptop that's powerful enough to handle everyday apps and portable enough to carry anywhere. Whether you want to provide devices for faculty or offer them to students through your bookstore or a loan program, Surface Laptop Go 2 is meant to enable a high-quality educational experience while also fitting your institution's budget.

Features of Surface Laptop Go 2
