

Microsoft 365 Business Premium for Nonprofits

Don't miss the chance to take advantage of donated and discounted services from Microsoft. Available exclusively to nonprofits, Microsoft offers donated Business Premium seats and discount add-ons that bring the best-in-class solutions.

What's included in the nonprofits offer?

You can claim up to 10 donated seats for Microsoft 365 Business Premium. You can also purchase additional seats for \$5 per user per month if needed.

What are the benefits of Microsoft 365 Business Premium?

With Microsoft 365 Business Premium, you get productivity, security, and device management in one monthly subscription. The following capabilities are all included and seamlessly integrated into Microsoft 365 Business Premium. There's no need to buy expensive third-party solutions separately or struggle with difficult-to-integrate solutions.

- Device and app management across PCs, Macs, iOS, and Android
- Information protection
- Archiving and litigation hold
- Data loss prevention
- Email and device threat protection
- Email filtering
- Windows Defender AV
- Teams and Skype for Business
- 1 TB file storage
- 50 GB cloud email
- Office (Word, PowerPoint, Excel, Outlook, OneNote, Access)
