

# Microsoft Surface: Business Ready for Enabling Hybrid Work

## WHY SURFACE FOR BUSINESS?

### ADAPTS TO HOW YOU WORK

Conforms to your style of interaction and the way you need to have your PC perform for you.

### POWERFUL PRODUCTIVITY

Whether you use Windows 11 or Teams, Surface gives you the performance required to keep everything in your day moving at the speed-of business.

### SECURITY AT EVERY LEVEL

Maintained by Microsoft from chip to cloud for ultimate control, proactive protection, and peace of mind wherever work is done.

### DEVICE MANAGEMENT

Delivers ultimate control for IT with zero-touch deployment and assurance that every device is up-to-date, automatically, even while asleep.
