Lenovo

1 Size does matter

Flexible on-board storage means fast transfer speeds, and space for huge files

- Quick boot-up, fast data retrieval, and greater capacity help your customers **save time and boost productivity**
- **Complete freedom** to choose the storage option, depending what your customers need

2 The power to succeed

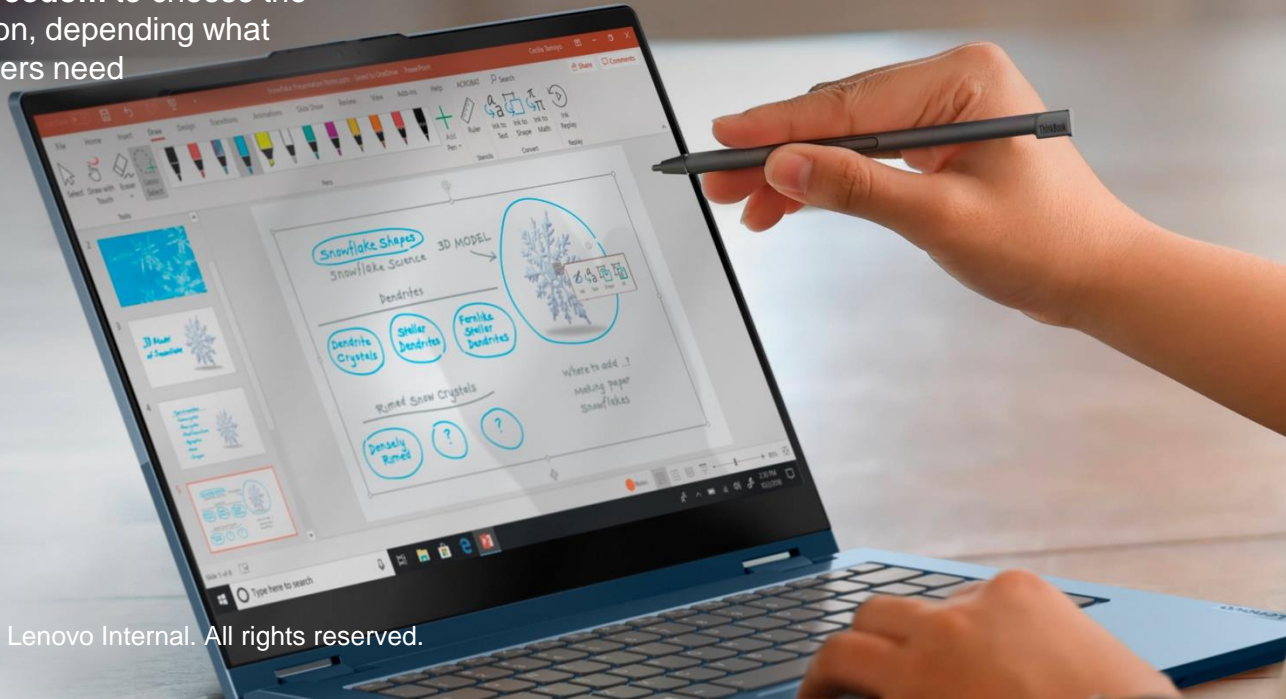

11th Gen Intel® Core™ Processors, or AMD Ryzen™ 4000 Mobile Processors

- With **flexible solutions** for individual business needs, give your customers the choice – and the performance

3 The more they can see, the more they can do

16:10 aspect ratio display

- Lenovo ThinkBook Gen 2 offers your customers a **16:10 aspect ratio display**, plus other choices including **OLED and 2.5K screens**

4 Built & tested for reliability

Wherever your customers work, so will Lenovo ThinkBook Gen 2

- Mil-Spec certification means durability, reliability – and satisfied customers

5 They work remotely

Smart features keep them close and in touch

- A distributed workforce means better collaboration is better business

6 Premium material and design

Modern design, materials and finish

- Anodized aluminium with dual-tone matte finish means a lightweight, stylish device – a new perspective on work/life balance

ThinkBook
