

New Pixel features have dropped

A little more helpfulness is here. Thanks to the latest software update, your Pixel just got better with some of our latest features and upgrades.¹

Capture the Stars in Motion

Your space shots just got spacier. Now, get beautiful photos and videos with astrophotography in Night Sight.²

Car Crash Detection

Car crash detection is available in the US, UK, and Australia. And car crash detection is now available in Spain, Ireland, and Singapore, too.³

Locked Folder

You just got some extra privacy for your most sensitive pics. Now, you can capture and save your photos and videos into a hidden space.

Call Screen

Call Screen is available in USA, Canada, and now Japan.⁴

Heads Up

Your phone just got even more helpful. Now, use your phone safely while walking.

Recorder

Soon, your Recorder will know more English dialects.⁵ UK, Ireland, Singapore, Australia

For more information on Pixel, please contact us today.

¹ Your Pixel phone will receive feature drops during the applicable Android update and support periods for the phone. See g.co/pixel/updates for details.

² Available only on Pixel 4, 4a, 4a (5G), and 5 phones. See g.co/pixel/astrophotography to learn more

³ Not available in all languages or countries. Car crash detection may not detect all accidents. High-impact activities may trigger calls to emergency services. This feature is dependent upon network connectivity and other factors and may not be reliable for emergency communications or available in all areas. For country and language availability and more information see g.co/pixel/carcrashdetection.

⁴ Not available in all languages or countries. For more information, see g.co/help/callscreen.

⁵ Transcription and search are available in English only. Coming July 2021.
