

LENOVO COMPLETE CONFERENCE ROOM SOLUTION

Foster innovation through hybrid collaboration

Optimized remote conferencing solutions to power today's hybrid workforce

Lenovo Complete Conference Room is an end-to-end (video, audio, and management) conference and meeting solution that enables businesses to connect teams and ideas from anywhere, powering better collaboration and productivity.

Connect teams, enable collaboration, improve productivity — Complete Conference Room is the simple, flexible solution that gives your remote and onsite workforce the freedom to get things done. From small rooms to large conferences, your team can innovate from anywhere they work.

80% Nearly 80% of workers are using digital collaboration tools.¹

Built for Business
