

# MAXIMIZED PERFORMANCE, BIG-SCREEN EXPERIENCE

Smarter  
technology  
for all

Lenovo

Introducing **Windows 11**, an OS designed for hybrid work. Built on the familiar Windows foundation but reimaged to boost employee productivity and enhance collaboration on the most secure version of Windows yet. It is more productive, more collaborative and consistent for IT, and secure for all.

## Lenovo V17 G2 ITL LAPTOP

Version 2.0 | September 2021

Helping you get the most out of your time, Lenovo V17 Gen 2 possesses the right ingredients to ensure you are at your best, productively.

The large, 17-inch FHD display is perfect for those who play with words, tackle datasets, and work on critical tasks that require error-free output. The latest Intel® processors paired with powerful NVIDIA® GeForce® graphics ensure that the device can handle most office work without breaking a sweat. Lenovo V17 Gen 2 is also built to be unbelievably compact. Just 19.9mm thick, this 17-inch laptop offers both performance and portability in one compact design.

Now preloaded with  
 Windows 11

Lenovo recommends Windows 11 Pro for business

**Performance befitting:** Lenovo V17 Gen 2 makes muscling through a mountain of work seem effortless. Equipped with 11<sup>th</sup> Gen Intel® Core™ processors and paired with up to NVIDIA® GeForce® MX350 discrete graphics makes it possible for you to overcome any performance-related bottlenecks that may crop up.

**Multitasking in spades:** Up to 16GB of memory and the option to spec up to 512GB M.2 PCIe SSD combined with up to 1TB HDD brings you a smooth, responsive computing experience. **Using Custom Desktops, you can create a separate desktop for each project** or workflow and switch instantly between desktops from your taskbar on **Windows 11**.

**Be drawn in:** 17 inches of FHD, 300nits, anti-glare, IPS display\* in a narrow-bezel frame makes for a deeply immersive experience. Additionally, Dolby® Audio™ powered speakers make meetings crisp, so you do not miss anything.

**Simplify routine workflows:** using **Microsoft Power Automate on Windows 11, you can easily automate workflows across applications and simplify routine tasks** like reporting, data entry, scheduling, and more with a low-code, guided process, and hundreds of pre-built connectors.

**Intuitive navigation on Windows 11:** **Snap Layouts automatically save and restore on-screen project layouts when you re-dock**, precisely as you set it, so you can resume working immediately without wasting time configuring the workspace. **Snap Groups optimizes your workflow by quickly snapping the apps you need into a group.**

## Lenovo V17 G2 ITL LAPTOP

### ITDM Benefits

**Easy manageability:** Lenovo V17 Gen 2 is well suited for SMBs that are looking for a quick and hassle-free IT integration and rollout.

**Security comes standard:** power button integrated with a Fingerprint Reader\* adds a layer of biometrics to device security, the Camera Shutter offers unbreachable privacy with just a flick, and firmware-based TPM 2.0 encrypts on-board data.

**Next-gen wireless connectivity:** Wi-Fi 6 and Bluetooth® 5.1 offer a solid platform of connectivity. Wi-Fi 6 is the fastest and most secure way to connect to the internet, with greater bandwidth and security than previous versions of Wi-Fi.

# Accessories

## Lenovo 400 Wireless Mouse

GY50R91293 (WW)

Comfortable and functional, this mouse offers exceptional quality with a modern wireless solution. Equipped with an optical sensor, it enables fast scrolls and accurate clicks through documents and spreadsheets.

## Lenovo Essential Wireless Keyboard and Mouse Combo

4X30M39458

This wireless keyboard-and-mouse combo easily connects to your device using a USB receiver. A resilient, waterproof membrane handles accidental spills without risking performance, while quiet keys and an ergonomic full-size mouse offer all-day comfort.

## Lenovo 100 In-ear Headphones

GXD0J36366 Dark Grey (WW)

The Lenovo in-ear headphones deliver exceptional sound clarity, creating a rich audio experience. A comfortable fit, tangle-free cord, and hidden noise-canceling microphone make conference calls easier.
