

## VersaVu® Bluetooth® Keyboard Case

Offering laptop vibes with epic 360-degree views, it's a protective keyboard case for your iPad that's bound to amp up productivity.

**iPad® (A16), iPad Air® 11-inch (M3)/(M2), iPad® (10th gen) 10.9-inch, iPad Air® (5th and 4th gen.) 10.9-inch and iPad Pro® (4th, 3rd, 2nd and 1st gen.) 11-inch** THZ967US | \$99.99

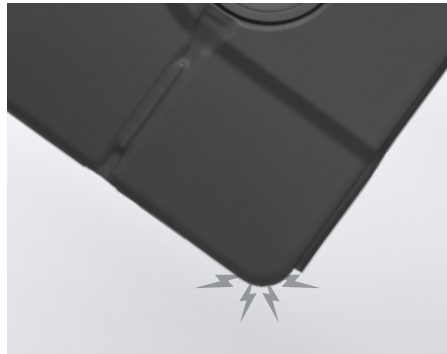

**iPad Pro® 11-inch (M4)**  
THZ988US | \$104.99

**iPad Pro® 13-inch (M4)**  
THZ989US | \$124.99

### Patented 360° rotation

Seamlessly switch between landscape and portrait modes for the perfect view for the occasion.

### Military grade drop protection

Drops happen – and thanks to our design and testing, this case passes rigorous MIL-STD 810G testing\* to ensure it can protect your iPad from drops up to 4 feet.

### Multi-touch trackpad

Swipe, scroll, and select quickly and with ease using the integrated multi-touch trackpad.

### Integrated kickstand

More than just 360-degree views, the keyboard case sports a flexible kickstand to complement the right angle.

### Backlit + media keys

Light up your late-night work session with the help of the adjustable backlit keys. Plus, save time and strokes with the benefits of handy media shortcuts.

**2 YEAR**  
Limited Warranty

### 2-year limited warranty

We got you covered. Our VersaVu keyboard case comes with a 2-year warranty, so you can focus on crushing it without worrying about a thing.

\* As tested by an independent third party applying MIL-STD-810G, Method 516.6, Procedure IV.
