

Tecra® A50

Full-Featured Performance, Modern Productivity

A full-featured performance PC, the Tecra A50 is the right choice for anyone looking for a productivity-based laptop. Equipped with an Intel® quad-core processor and Windows 10 Pro, this enterprise-class laptop handles the challenges of the modern workplace with ease. Users will appreciate the vivid 15.6-inch display, built-in optical drive, modern docking capabilities and advanced security options, putting the Tecra A50 in a class of its own.

Windows 10

Windows 10 Pro means business.

Product Features

We Design, Manufacture and Engineer Our Laptops

Committed to quality, reliability and durability, we are the only major laptop manufacturer with the ability to write our own BIOS, develop, engineer, manufacture and extensively test laptops in-house to optimize system components found only on a Dynabook.

Intelligent Protection

Fortified with a variety of security features, including integrated IR camera,* fingerprint sensor and smart card reader,* create an incredibly secure foundation to keep data safe from potential threats.

+Care ServiceSM Warranty

Available for three years on feature configurations and four years on Build-to-Order models, +Care Service is our new, premier standard warranty with access to Dynabook's Technical Phone Support, Depot Repair, Carry-In, On-Site, and Customer Replaceable Parts services.

Business Essentials

Input and navigation are comfortably simple with a premium spill-resistant, full-size, backlit keyboard with numeric keypad, click pad and Accupoint® pointing system.

Durability

The Tecra A50 is subjected to comprehensive drop and HALT testing to ensure quality and reliability standards are maintained.

USB Type-C®

Comes with an ultra-versatile USB-C port that supports Display output and Power Delivery.**

Docking

Easily connect to a monitor and other desktop peripherals with the Dynabook USB-C Dock.
