AWARD WINNING FOLDABLE DESIGN

Splay in Action — Industries of Opportunity

Construction

View blueprints and plans on-site—no bulky monitors needed. Set up anywhere, collaborate instantly.

Sales & Mobile Offices

Perfect demos on the go. Deliver sleek visuals without hauling heavy gear. **Save money, save time.**

Sports Technology

Trusted by pros like **Arsenal FC**. Analyze film, run drills, and train visually anywhere.

A/V Accessory Market

Expand your lineup with a unique, portable display that creators, gamers, and pros will love.

Disaster Response

Deploy instantly for briefings, mapping, or command coordination—built tough for the field.

Education

Turn any space into a classroom. Engage students with fast setup and an eye-friendly big-screen.
