A bold new take on Pro

The thinnest, lightest, most mobile Surface 2-in-1 yet with 13" touchscreen and LTE.

Surface Laptop 3 (13.5")

Express yourself, powerfully

The most popular, slim, and stylish Surface laptop in a range of colors and materials, now with 13.5" and 15" touchscreens.

Surface Laptop 3 (15")

Express yourself, powerfully

The most popular, slim, and stylish Surface laptop in a range of colors and materials, now with 13.5" and 15" touchscreens.

Surface Pro 7

Ultra-light versatile

The iconic Surface 2-in-1, now even faster and more versatile with USB-A & USB-C™.

Hardware built for the software you trust

Windows 10 Pro

Comes standard on Surface for Business devices, offering advanced security protections, enterprise manageability, and enhanced productivity tools.

Support & warranty

In addition to the standard hardware warranty, select¹ devices come with Advanced Exchange—a service plan with expedited device replacement, at no additional cost.

Best devices for Office 365 experiences

Business customers can choose to pair Surface with Microsoft 365 commercial offerings, empowering everyone to be creative and work together, securely.

Leading modern management

The latest and best in modern cloud deployment (e.g., Autopilot), management (e.g., SEMM/DFCI) and automatic updates for Surface firmware and drivers.

Enterprise-grade modern security

Physical TPM chip for robust security with BitLocker Drive Encryption. The latest in modern cloud security (e.g., Windows Defender Advanced Threat Protection, Microsoft 365 Conditional Access).
