

Meet the new **Surface Go 3**

Productivity on the go

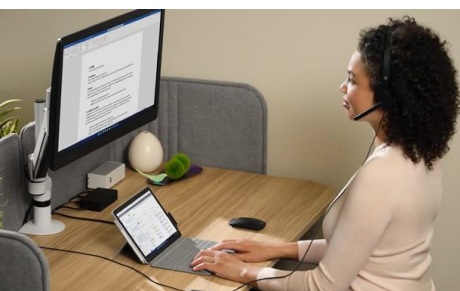

The new **Surface Go 3** is still our most portable Surface PC ever. Give your frontline workers the power, speed, and flexibility to excel anywhere at an incredible variety of tasks.

What's new?

- > **Improved performance** to complete everyday tasks with 10th Gen Intel processors. Now available with Intel Core i3 and a faster Pentium processor
- > **Easier to deploy and manage** with consistent Microsoft UEFI with DFCI and autopilot
- > Extended productivity with all day battery life of up to 11 hours¹

Built with the features you've come to love

- > Achieve unlimited flexibility with three work modes enabled by the adjustable Kickstand
- > Make tasks easy on a bright 10.5" touchscreen display
- > Stay connected anywhere with optional LTE Advanced^{2,3} connectivity
- > Transform from tablet to laptop with the detachable Surface Go Signature Typecover³
- > Write and navigate with ease using the Surface Pen⁴

Empower your hybrid teams to deliver on customer needs, service, and technical duties with a light-weight, versatile device that comes with out-of-the-box cloud powered security.
