

# Exclusive Savings on Surface Hub 2S

For a limited time only, Microsoft Surface is offering customers **up to 15% savings<sup>1</sup> on Surface Hub 2S 50" and 85"**

## Surface Hub 2S

- Surface Hub 2S is the most innovative collaboration and meetings room device with premium hardware features, design and quality that Surface is known for.
- Later this fall, Surface Hub 2S will join the Microsoft Teams Rooms family, becoming the first touch-enabled board running Teams Rooms on Windows. This unlocks top-requested Teams Rooms features for both users and admins, such as Front Row, persistent chat, consistent remote management capabilities and more.
- Existing Surface Hub 2S devices will have a path to migrate to the Microsoft Teams Rooms experience at a future date.
