The Microsoft Surface Pro portfolio covers it all

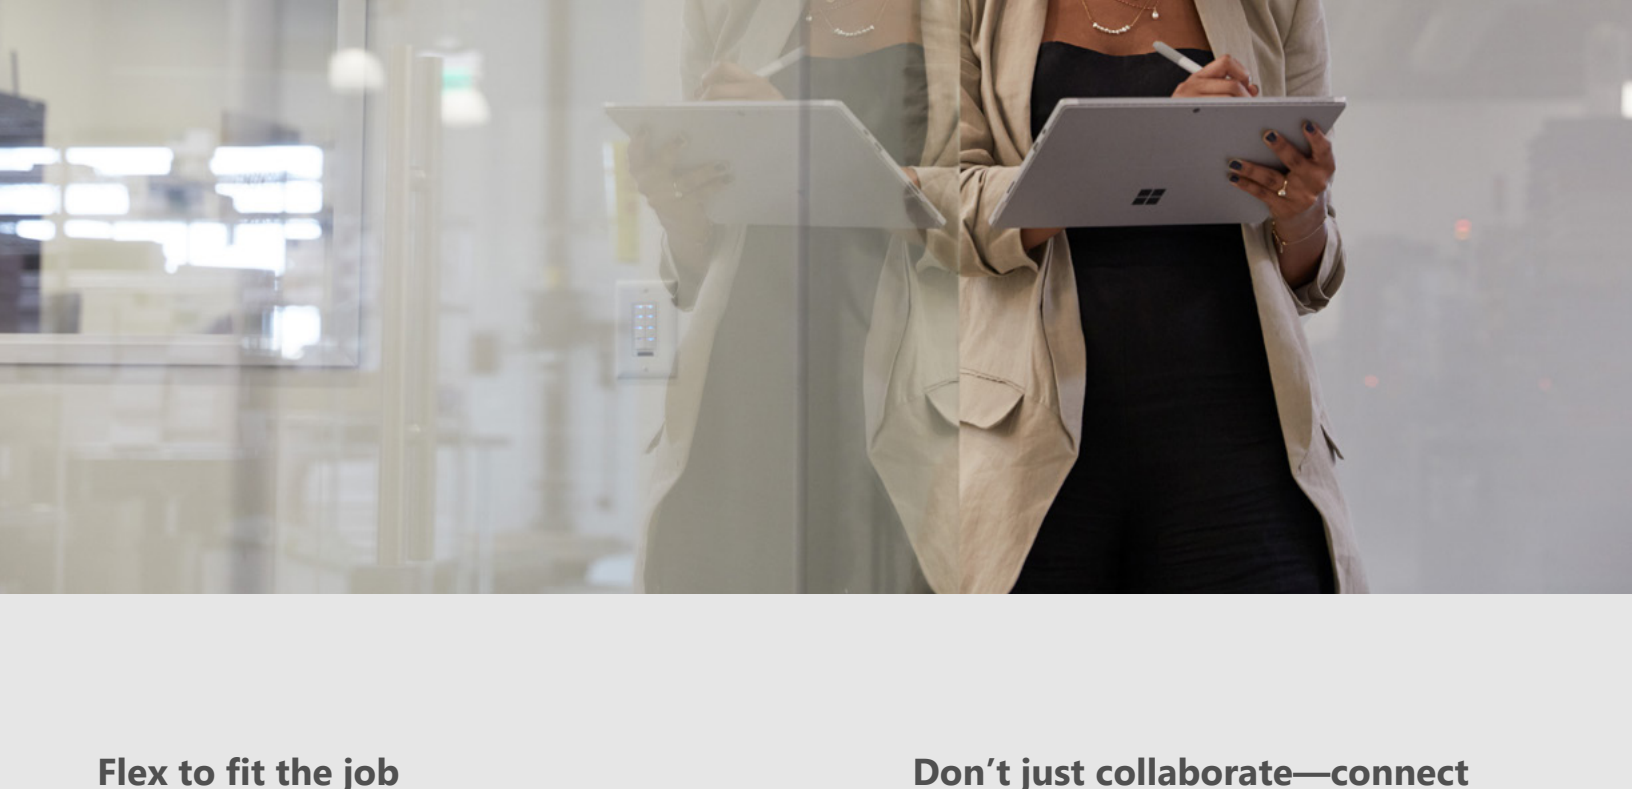

You're the expert at hybrid work—you and your employees. You know what it takes to get it done and stay out in front of the competition. The Surface Pro portfolio supports your vision, delivering increased productivity, easy management, and high security—all with the cool factor employees crave.

The Surface Pro portfolio has you covered on all fronts.

## Raise your hybrid expectations

### Surface Pro 7+: The Classic Pro

#### Flex to fit the job

Whatever your teams are getting done, the unique Surface Kickstand instantly supports work at any angle. It clicks from laptop, to desktop, to portable digital canvas.

#### Don't just collaborate—connect

The modern workplace demands deeper, more secure connections from anywhere. Surface Pro 7+ delivers in high definition with built-in LTE Advanced.\*

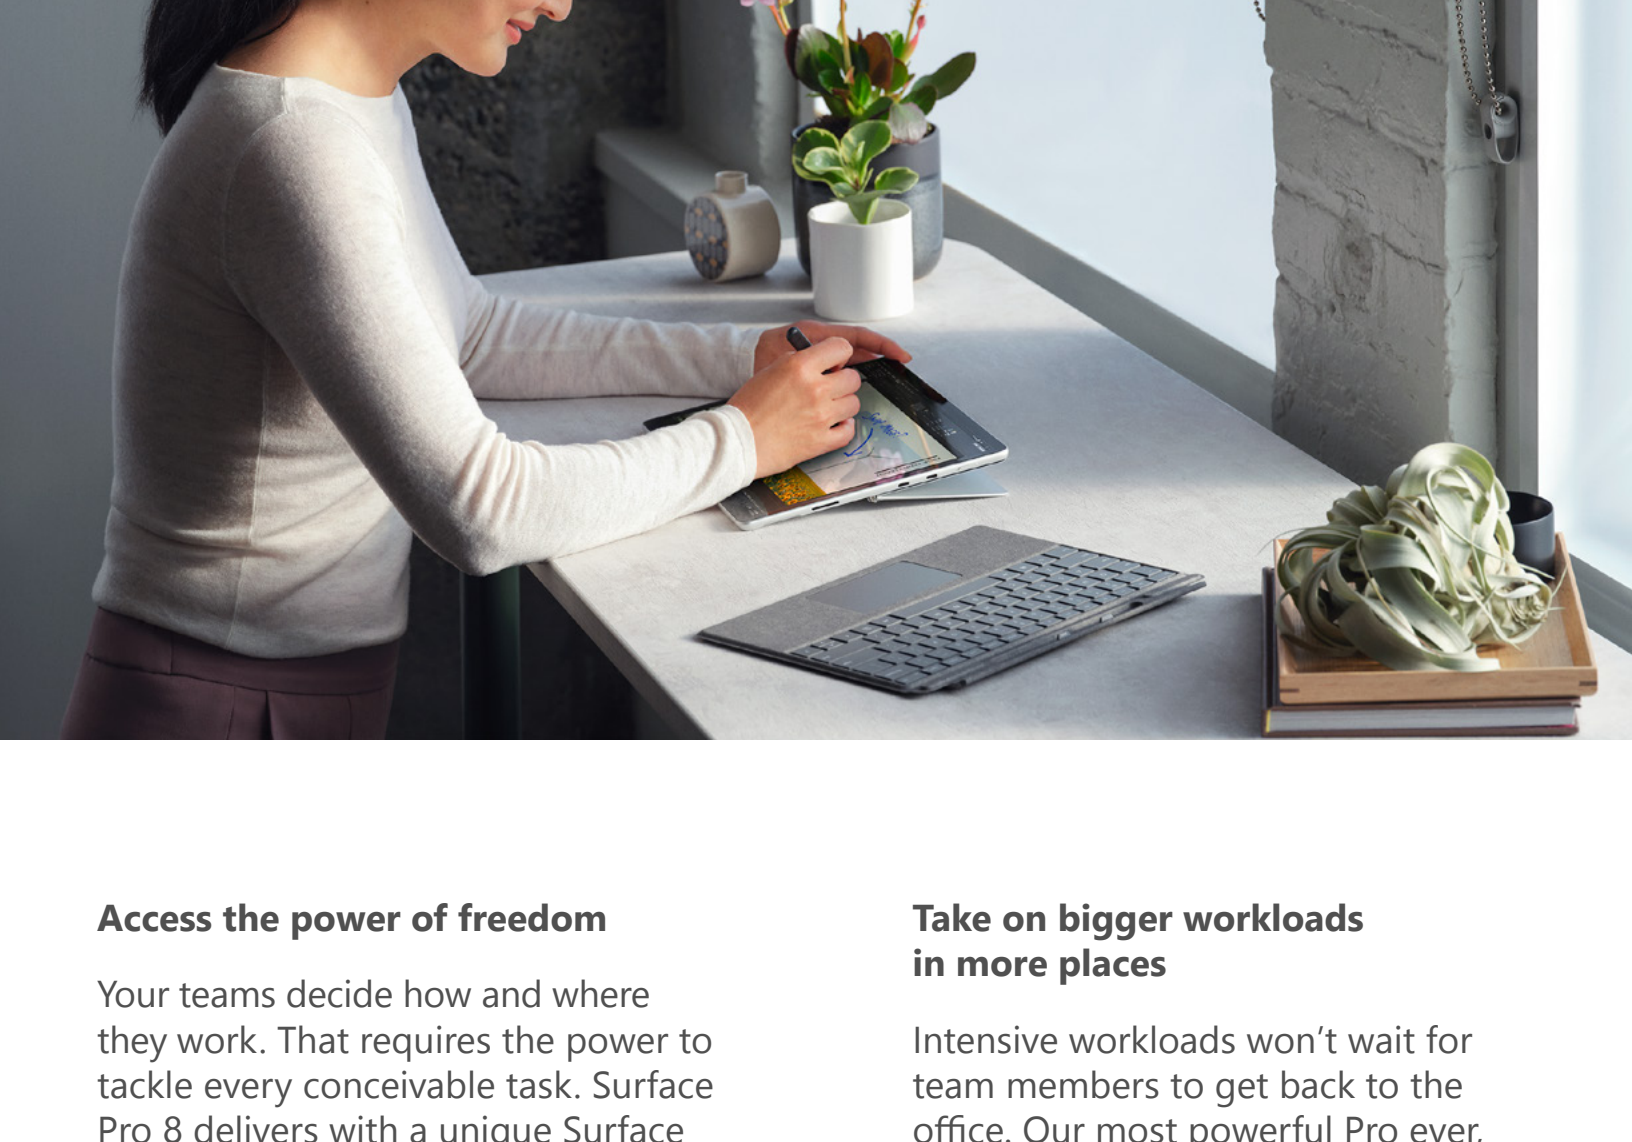

#### Rely on the boosted strength of a Pro

Your people work with advanced software and tons of data. Make modern business apps fly with new 11th Gen Intel® Core™ processors.

#### Get a lock on effortless security

Make security as invisible as it is powerful. Surface Pro 7+ keeps your people moving quickly and confidently with chip-to-cloud security and easy modern management.

### Surface Pro 8: The most angles on the most Pro power

#### Access the power of freedom

Your teams decide how and where they work. That requires the power to tackle every conceivable task. Surface Pro 8 delivers with a unique Surface Kickstand that instantly supports every angle of work, from laptop, to desktop to portable digital canvas.

#### Take on bigger workloads in more places

Intensive workloads won't wait for team members to get back to the office. Our most powerful Pro ever, Surface Pro 8 delivers anywhere power with the 11th Gen Intel® Core™ processors for unprecedented performance.

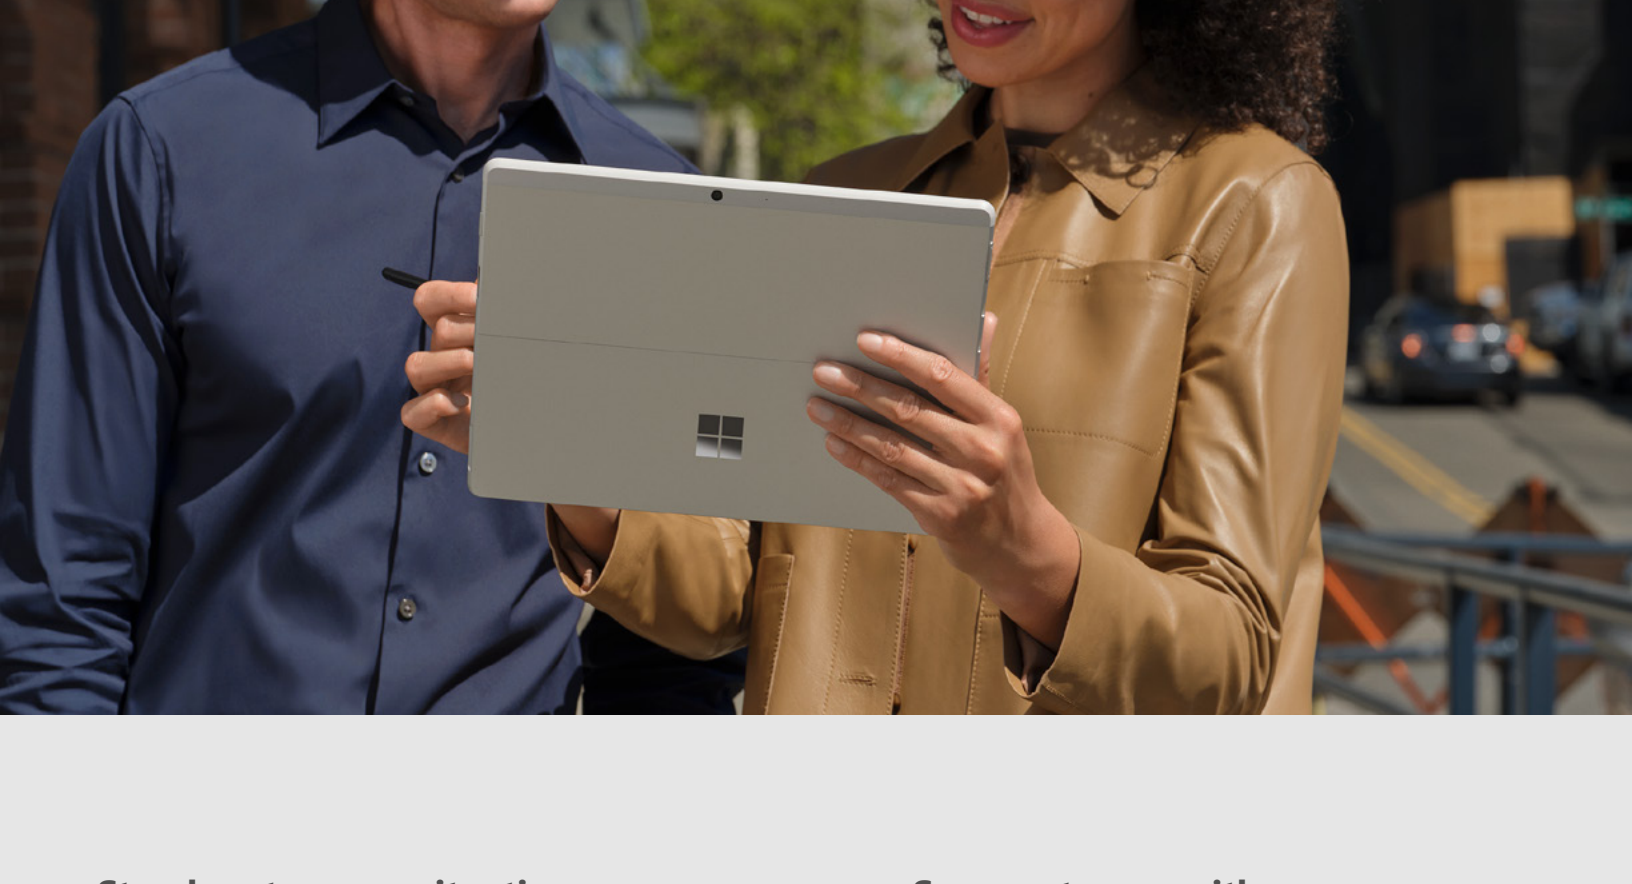

#### Feel face-to-face from far away

The more seamlessly your teams work together, the better the outcomes. Surface Pro 8 keeps everyone clearly and consistently connected with optimized speakers and Wi-Fi 6.

#### Secure from anywhere

Continued productivity depends on flawless security. From New York to Nairobi, rely on chip-to-cloud security and modern management.

### Surface Pro X: The totally mobile Pro

#### Stand up to every situation

Click straight from drafting to lighting in an instant. The powerful, lightweight Surface Pro X transforms instantly from laptop to tablet to digital canvas to workstation to meet any need.

#### See eye-to-eye with everyone

Real eye contact adds impact to every interaction. Surface Pro X puts you on eye level with everyone through its 5 MP front-facing camera, 1080p full HD, and AI-powered eye contact adjustments.

#### Never wait for power

Have the answer without pause when customers ask. Surface Pro X delivers instant app power fuelled by the latest Microsoft SQ® 1 and SQ® 2 processors for the right tools, right when you need them.

#### Stay secure from the core—wherever you go

Keep customers confident and cyberthreats at bay with chip-to-cloud security with remote management.

### Fill out your hybrid work toolkit

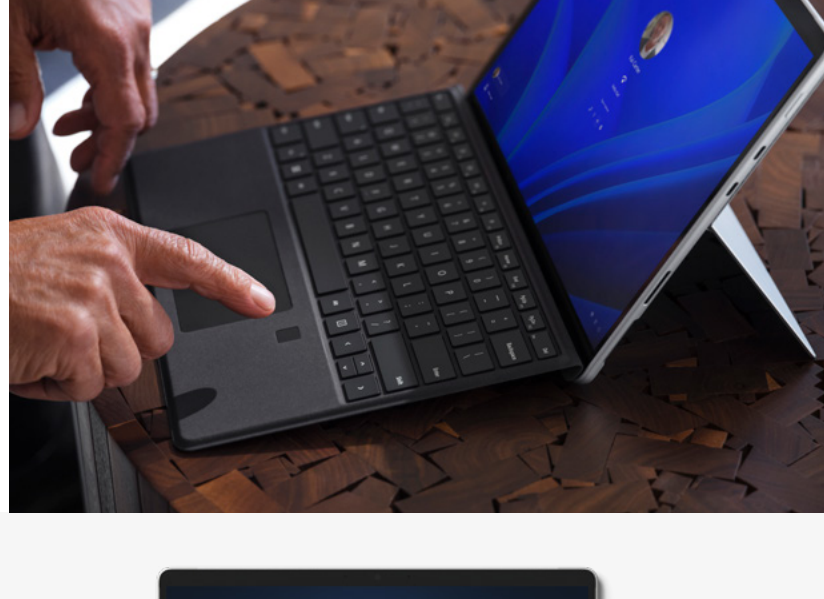

#### Take typing to a whole new level

The Surface Pro Signature Keyboard<sup>2</sup> has redefined typing. Compatible with Surface Pro 8 and Surface Pro X, it delivers full-size keyboard performance, plus a large touchpad for precise control.
