66%

of the consumers you serve want brands and retailers to be more digitally innovative.³

Surface Studio 2+

Stand-out design, fluid productivity

Fuel inspiration with professional-grade performance on a sleek, versatile all-in-one device that commands attention. With a 28" PixelSense™ touchscreen, Zero Gravity Hinge, and superior touch and pen experiences enabled by Windows 11, Surface Studio 2+ is a powerful, personal creative station.

Amplify productivity on the brilliant 28" PixelSense™ touchscreen

Weightlessly lower and raise the display with the Zero Gravity Hinge

Multitasking is a breeze with an 11th Gen Intel® Core™ i7-11375H processor

Empower creativity with NVIDIA® GeForce RTX® 3060 Laptop GPU

Provide immersive and engaging video calls with a 1080p camera enhanced by Windows 11 and Studio Mics

Give employees flexibility with touch navigation and pen sketching through experiences optimized for Windows 11

Unlock ideal workspaces with ample ports, including three Thunderbolt™ 4 connections

A Secured-core PC for your most sensitive data

Make a statement

Surface Studio 2+ is a stunning device for extraordinary workplaces and customer-facing settings.

Transform your spaces with clean lines and a modern, thin profile.

Unlock uninterrupted focus with the striking 28" PixelSense™ touch display.

Enable seamless transitions from one task to another with the Zero Gravity Hinge.

Clear the clutter and keep workspaces tidy with a minimal footprint, low-profile charging cable, and integrated camera.

Extend your brand's style to stand out with color-matched keyboards and mice.
