Secure and manage in the cloud

## Surface Go 2 for Business

Make the most of Microsoft 365\* with Surface Go 2, the lightest and most compact Surface 2-in-1 yet.

Surface Go 2 is a faster companion to run the essential business apps you rely on every day, with 8<sup>th</sup> Gen Intel® Core™ m3 processors. Stay connected anywhere with optional LTE Advanced<sup>1</sup> connectivity and get the manageability and security features you trust with Windows 10 Pro out of the box.

### FEATURES:

**Compact and light**, at 10.5" and just 1.2 lb. (not including Type Cover)

**Sleek, modern design** with tablet-to-laptop flexibility and built-in Kickstand

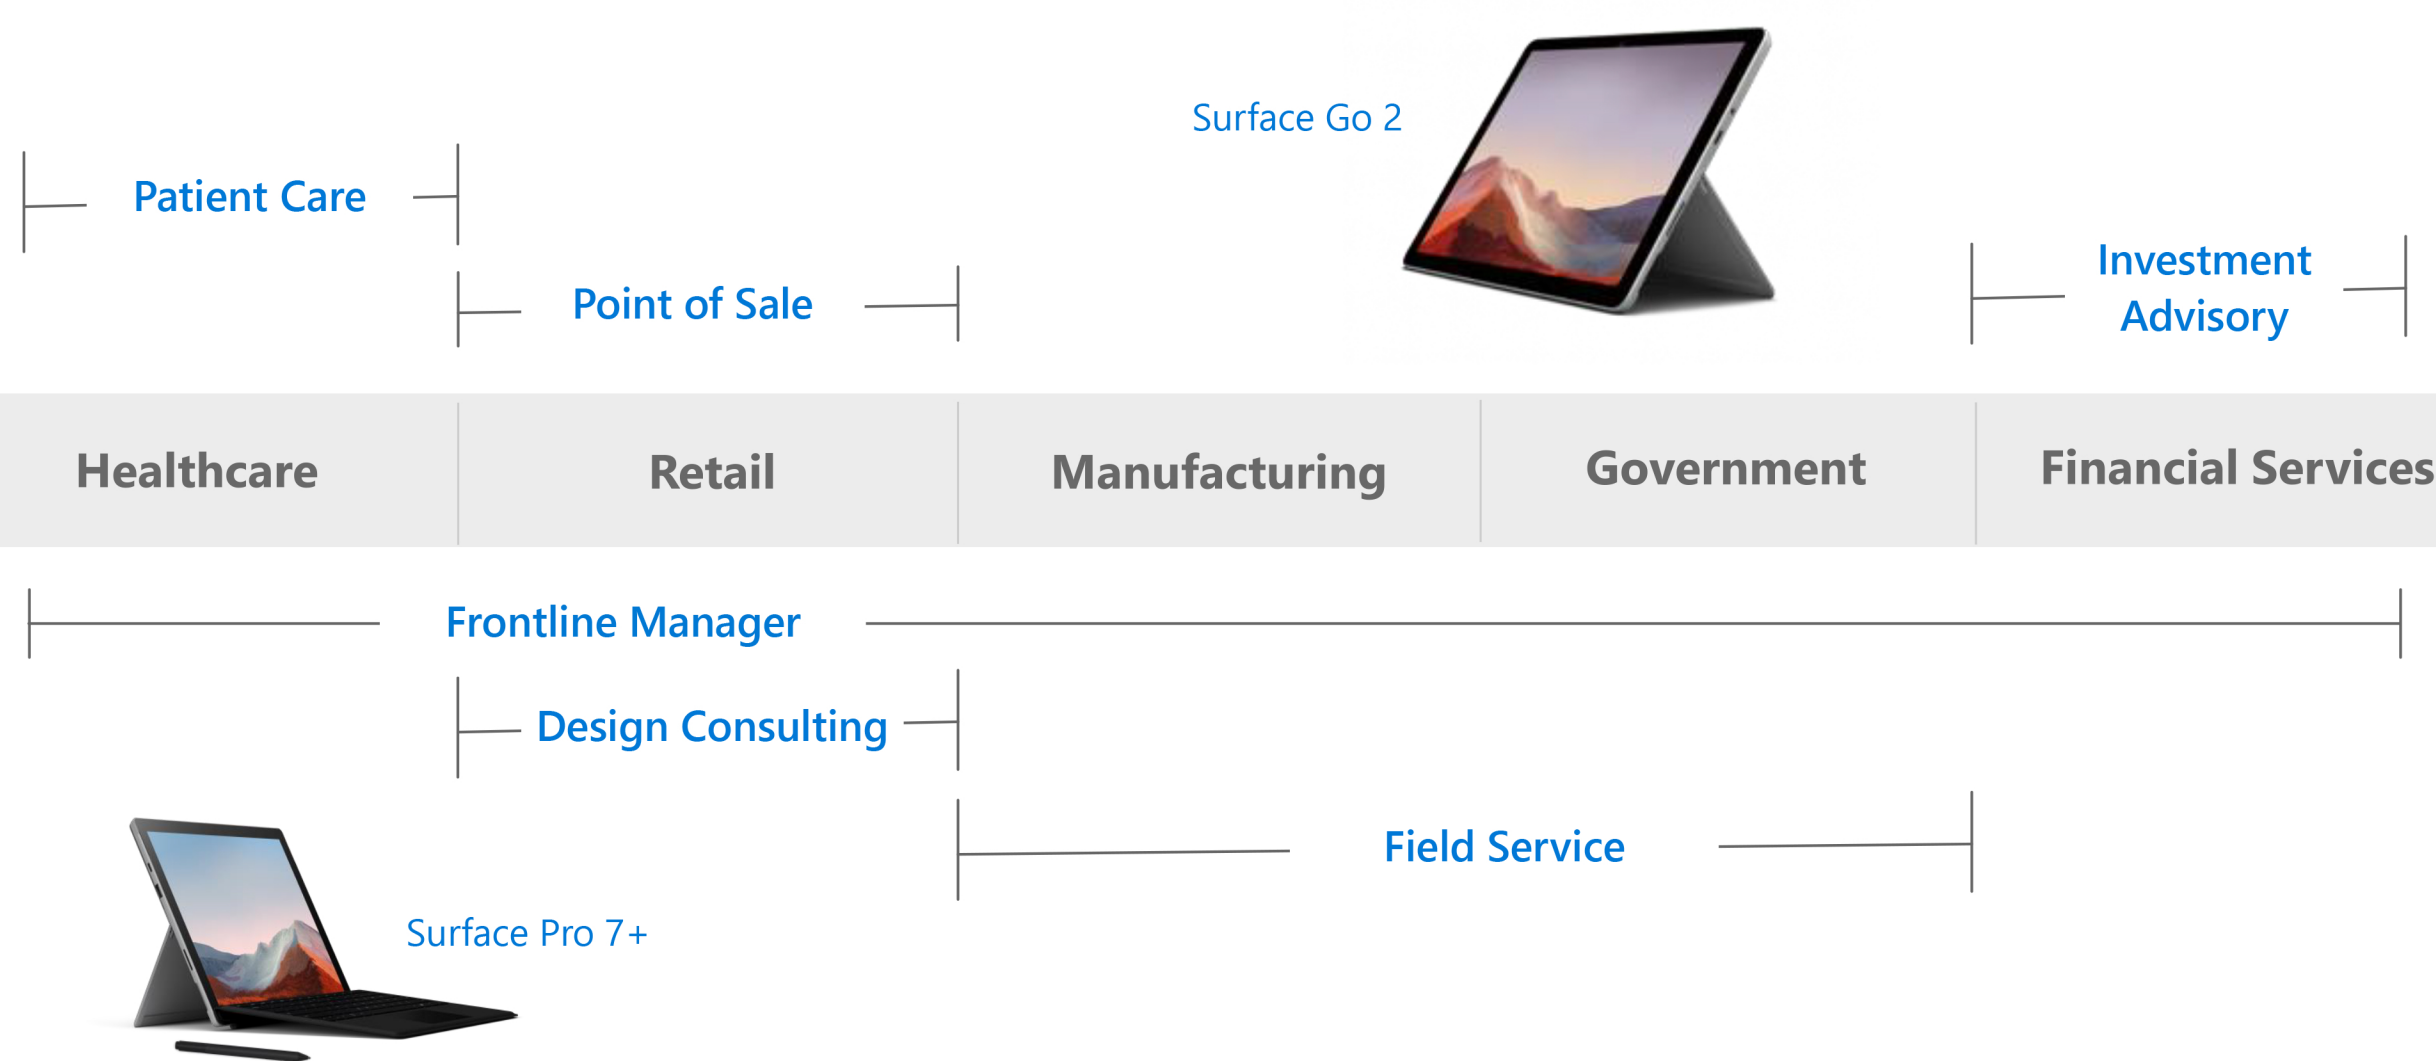

**8<sup>th</sup> Gen Intel® Core™ m3 and Pentium® processors** power full-feature desktop software

**Optional LTE Advanced<sup>1</sup>** for on-the-go productivity

**Natural typing and trackpad experience** with Surface Go Type Cover\*

## Empowering diverse workflows

Delivering value for Frontline Workers across industries

## Surface business value

**86%**

Of survey respondents agree that Microsoft 365 and Surface improved employee satisfaction.<sup>1</sup>

**75%**

Reduction in IT help desk call times on Microsoft 365-powered Surface device deployments.<sup>1</sup>

**4HR**

Saved per device in reduced IT time to provision and deploy Surface devices thanks to Microsoft Autopilot and Microsoft Endpoint Manager.<sup>1</sup>

**49%**

of survey respondents with Surface devices reported reduced security incidents experienced annually, compared to only 40% of non-Surface respondents.<sup>1</sup>

### ADDITIONAL VALUE

#### Device consolidation

In many instances, users can consolidate devices by reducing need for companion tablets, Wi-Fi hotspots, and other accessories built into Surface.

#### Improved productivity

A recent Forrester TEI report shows that users were able to save time and get more done with Surface for Business devices.
