

Upgrade Your Services to Enhance Education

Is your school planning to leverage the Emergency Connectivity Fund to get new laptops in the hands of your students? If so, you're eligible to request up to \$400 per student, per device—as long as it consists of a single SKU. With that in mind, Lenovo is providing the bundle you need—pairing devices and 3 years of upgraded warranty support in a single SKU—to get the best, education-enhancing tools to every student, whether they're learning in person or remotely.
