# **TECH IN A CLASS OF ITS OWN**

Supporting and enhancing education

A grayscale photograph of a classroom. In the foreground, several students are seated at desks, viewed from behind. Their arms are raised, with hands open or pointing, indicating active participation. In the background, a teacher stands at the front of the room, facing the class. The classroom has a brick wall and whiteboards. The overall atmosphere is one of collaborative learning.

# **COLLABORATION**

Reshaping the learning experience  
in the connected classroom

# **SOCIAL LEARNING**

Seamless integration of education  
across platforms—anywhere

# **CONNECTIVITY**

Connect into a highly interactive  
learning experience

# TABLET SOLUTIONS

Complete your classroom tablet solutions with accessories that enhance learning, pushing your devices past their intended use.

Stage App

## TABLET STAGE™

The spotlight's on classroom engagement.

- Stable, adjustable platform turns your tablet into an interactive presentation tool
- Adjustable LED light with two brightness settings illuminates the workspace
- Integrated cable management keeps USB and power cords out of the way
- Case-compatible design works with tablets from 7" to 11" diagonal
- Optimized for use with the Stage interactive whiteboard and document camera app. Available on the App Store™ or Google Play™ store

B2B054

Stage App

## PORTABLE TABLET STAGE™

Put your lessons on Stage.

- Stable, adjustable platform turns your tablet into an interactive presentation tool
- Case-compatible design works with most tablets and smartphones
- Flexible and portable, designed for easy mobility
- Integrated cable management keeps USB and power cords out of the way
- Optimized for use with the Stage interactive whiteboard and document camera app. Available on the App Store or Google Play store

B2B118

## UNIVERSAL HDMI® TO VGA ADAPTER KIT WITH AUDIO

Bridging the gap in education.

- HDMI-F to VGA-F adapter, HDMI-M to HDMI-M converter, 3.5mm audio cable (1m) and "anyone can install" instructions
- No drivers, software, or external power adapters needed
- Tested in USA-based labs and FCC and CE certified
- Supports Apple TV®, Chromecast™, Chromebook™ with HDMI, Roku® Streaming Stick™, Raspberry Pi™, full-power HDMI laptops, and several other AV devices

B2B137-BLK

# CHROMEBOOK AND NOTEBOOK PROTECTION

Belkin Chromebook and notebook accessories ensure that your devices are protected, connected, and productive, so you can focus all of your attention on what matters most: your students.

## AIR SHIELD™ PROTECTIVE CASE

Experience the impact of superior protection.

- Universal fit for most 11" Chromebook devices, compatible laptops, and Ultrabooks
- Internal shock-absorbing suspension system and multi-layer protection
- Laboratory tested for impact and drop protection
- Compact design fits most charging carts and backpacks
- Full access to device ports, keyboard, and display
- Can stand device on side when not in use

Maximum internal dimensions/Fits devices up to: B2A077-C00 (12.0" x 8.9" x 1.1")  
Note: Always check inside dimensions against device dimensions for proper fit prior to deployment

## AIR PROTECT™ ALWAYS-ON SLIM CASE

Always on, always protected.

- Slender “backpack friendly” design
- Innovative, protective clips open the Chromebook/notebook and stay put without covering the display
- Six-sided shock-absorbing materials help protect against bumps and drops
- Durable exterior protects from tears and constant usage
- Full tilt-back design allows for all screen positioning angles
- ID or asset tag window

Maximum internal dimensions/Fits devices up to: B2A075-C00 (11.8" x 8.2" x 1.1")  
B2A076-C00 (13.8" x 9.5" x 1.1")

## AIR PROTECT™ ALWAYS-ON CASE

Open and learn with Air Protect Cases.

- Innovative, protective clips open the Chromebook/notebook and stay put without covering the display
- Six-sided shock-absorbing materials help protect against bumps and drops
- Thermal management features promote natural airflow in both open and closed positions
- Full tilt-back design allows for all screen positioning angles
- ID or asset tag window
- Exterior charger and accessory pocket
- Includes detachable shoulder strap and retractable carrying handle

Maximum internal dimensions/Fits devices up to: B2A074-C00 (11.8" x 8.2" x 1.1") B2A073-C00 (13.8" x 9.5" x 1.1")

## AIR PROTECT™ SLEEVE

Slide and secure with Air Protect Sleeves.

- Bottom accessory pocket separated from device to protect against impact
- Shock-absorbing materials protect against drops, perfect for the classroom
- Snug-fit compartment with six protective barriers
- Integrated hideaway carrying handle
- ID or asset tag window

Maximum internal dimensions/Fits devices up to: B2A070-C01 (11.8" x 8.2" x 1.1")

## SNAP SHIELD PROTECTIVE CASE

Experience instant, snap-on, custom-fit protection.

- Individualized fit for specific devices
- Easy application minimizes setup and support time/costs
- Protects device from scratches
- Retractable feet provide adjustable keyboard angles for easier typing
- Full access to ports, buttons, and speakers
- Full access to asset tag through case

Compatibility: B2A080-C00 (MacBook Air 11") B2A081-C00 (MacBook Air 13") B2A082-C00 (HP G2, G3, G4) B2A083-C00 (HP G5) B2A084-C00 (Lenovo N21, N22) B2A085-C00 (Acer C720, C740) B2A086-C00 (Samsung 3). Color: Clear

## PROTECTIVE SLEEVE

Coverage to protect devices, no matter where they go.

- Protective padding and shock-absorbing material to keep devices safe in transit
- Comfortable and easy to carry with convenient retractable handle
- Sturdy, durable construction for constant mobility
- Additional storage pocket for accessories and supplies
- 11" sleeve in black, blue, and red; all others in black only

Maximum internal dimensions/Fits devices up to: B2B081-C00 (14.7" x 8.9" x 1.2") B2B064-C00 (14.1" x 10.2" x 1.2") B2B075-C00 (14.6" x 10.8" x 1.2")

# CHARGING AND SURGE PROTECTION

When your devices are interrupted or stalled, so is your class. Belkin charging and surge protection offers the complete solution to keep classrooms running smoothly.

## INTRODUCING: STORE AND CHARGE GO

Universal storage and charging—now mobile.

Store and Charge Go is the ideal charging solution to save time in busy classrooms. Removable five-compartment trays allow for fast, easy distribution of devices among students. Easy-to-carry handles on the trays ensure maximum portability, to make transporting devices from the base unit safe, manageable, and convenient. The 10-device base unit is compact, wall- or desk-mountable, and houses all chargers and cables to reduce clutter.

- 2 x 5 unit removable trays provide portability for mobile devices
- Store and charge up to 10 Chromebook devices, laptops, or tablets simultaneously
- Base unit is wall-/desktop-mountable to save space
- Base unit houses all chargers and cables to minimize clutter
- AC/USB-compatible
- Includes surge-protected power source with \$15,000 Connected Equipment Warranty\*

B2B140

B2B141 (configured with fixed dividers)

B2B156 (optional mounting bracket)

\*AC version only, USB version \$5,000 Connected Equipment Warranty/Limited Lifetime

## SECURE AND CHARGE

Easy deployment and support for classroom tablets.

- Lockable security enclosure deters tampering and theft
- Allows for wireless syncing
- Store and charge up to 10 iPad®, Android™, or Windows® tablets at easy-to-reach angles
- Compatible with devices and cases up to 13" diagonal and 1.18" thick
- Built-in cable management minimizes tangles and clutter
- Surface-mounting allows unit to be securely attached to tables or carts and are stackable to save space
- Includes surge-protected power source and long 15' cord with \$15,000 Connected Equipment Warranty\*

B2B117 / \*Limited Lifetime

## STORE AND CHARGE STATION

Less hassle, more learning.

- Store and charge up to 10 devices, including laptops, tablets, and Chromebook devices
- Compatible with devices and cases up to 13" diagonal and 1.18" thick
- Built-in cable management minimizes tangles and clutter
- Open setup facilitates easy access and wireless syncing
- Mounting features attach securely to tables or AV carts
- Includes surge-protected power source and long 15' cord with \$15,000 Connected Equipment Warranty\*

B2B074 / \*Limited Lifetime

## ROCKSTAR™ 10-PORT USB CHARGING STATION

Fast, surge-protected charging for mobile devices, x10.

- 10 x 2.4A USB-A ports optimally charge up to 10 mobile devices simultaneously
- 120W external power supply output ensures enough power for all devices
- Intelligent charging delivers correct output to each connected device
- Includes surge protection backed by a \$5,000 Connected Equipment Warranty\*

B2B139 / \*Limited Lifetime

## MEETING ROOM POWER CENTER

Easy access to four AC power outlets and eight USB fast-charging ports for mobile devices.

- Heavy base keeps product stable on the table
- 1080-Joule energy rating provides superior power protection for all your sensitive mobile devices
- Four standard AC power outlets for conventional power cords
- Eight USB fast-charging ports, compatible with all USB-powered devices
- LED surge protection indicator shows that equipment is grounded and protected and is backed by \$25,000 Connected Equipment Warranty\*

B2E0311t06-BLK / \*Limited Lifetime

# SECURE WIRED KEYBOARDS

Belkin secure wired keyboards help ensure test validity, eliminate *Bluetooth*® vulnerability, increase network security, and create a better computer learning environment.

## WIRED KEYBOARD WITH STAND

The ideal companion for your tablets.

- MFi Certified by Apple
- Versions compatible with iPad and Android devices
- SBAC and PARCC testing compliant
- Integrated case-compatible stand allows portrait or landscape orientation
- Plug and play—no additional software required
- Durable, stackable design
- Cable management compartment
- No batteries or charging required

B2B130 (Lightning® connector) B2B131 (30-pin connector) B2B132 (5-pin micro-USB connector)

## SECURE WIRED KEYBOARD FOR iPad

Connects directly and securely and it does not require batteries or recharging.

- MFi Certified by Apple
- Plug and play—no additional software required
- Full-size keys
- “Correct connect” diagnostic indicator
- Durable, lightweight design
- Multimedia control keys
- Well-spaced keys for comfortable typing
