dynabook

EQUIPPED FOR BUSINESS, ENGINEERED FOR THE HYBRID WORKPLACE.

From the corner office to the dining room table, the all-new Tecra® A50-J from Dynabook is the perfect workhorse for the hybrid workplace.

WHO'S IT FOR?

From the corner office to the dining room table, the all-new Tecra® A50-J from Dynabook is the perfect workhorse for the hybrid workplace.

WHY WAS IT CREATED?

Fortified for maximum business security, this Secured-core PC features a sleek, new Mystic Blue chassis that meets military durability standards, slim-bezel 15.6-inch display, full-size, backlit keyboard with 10-key, and SecurePad keeps productivity maximized.

WHY IT WINS

A HIGH-PERFORMANCE NOTEBOOK AT ITS CORE

Offering the latest 11th-generation Intel® Core™ processors and up to 32GB of memory, the Tecra A50 can be outfitted for serious performance. The Intel® Iris® Xe graphics offers exceptional visual performance, accelerates AI processing and enhances security.

FORTIFIED FOR MISSION-CRITICAL SECURITY

Engineered to meet Microsoft's strict Secured-core PC requirements, the Tecra A50 features secure hardware and software designed to offer unrelenting protection against data, device, and identity threats.

STANDING OUT FROM THE CROWD

The Tecra A50 boasts a unique Mystic Blue chassis that stands out from a sea of look-alike competitors, and it also incorporates an EPA-approved antimicrobial paint additive called IONPURE® IPL[2] to help inhibit the growth of bacteria.

A FULL-SIZE WORKSPACE IN A COMPACT FOOTPRINT

Now 22% lighter and 17-percent thinner than its predecessor, the Tecra A50 packs a full-size workspace, complete with a slim-bezel 15-inch display and full-size backlit keyboard with 10-key and large SecurePad.

BACKED BY THE BEST WARRANTY IN THE BUSINESS

The Tecra A50 comes standard with Dynabook's +Care Service® Warranty with On-site service (3 years for featured configurations, 4 years for build-to-order configurations). +Care Service warranties help businesses reduce IT costs by minimizing laptop downtime.
