Ensuring a Connected World.

KEEP BUSINESSES MOVING WITH LEGRAND | AV

If the importance of digital signage communication was ever questioned before the the onset of a pandemic, there is no longer any doubt of its value.

Digital signage has proven to be a vital solution to convey dynamic messaging. Prior to this pandemic, digital signage was often seen as a solution focused solely on the customer experience; now it's become an integral part of operations, expanding its role to include safety procedures, traffic direction, customer ordering, and more.

Explore our solutions below to maintain the most vital connections today and every day.

TABLE OF CONTENTS

Digital Signage Solutions for Today, Tomorrow and Beyond

Today's digital signage solutions not only support the immediate critical needs of businesses navigating health safety protocols, customer and employee notifications, wayfinding and more, but also ensure tomorrow's infrastructure is ready to go for whatever comes our way.

The New Evolution of Digital Signage

Discover how Digital Signage is driving real time communication keeping our communities safe and operational

1 Safety Protocols

Place health and safety information where it is needed most, effectively communicate important messages with portable stands for digital signage.

2 Customer Communications

Keep customers and employees up-to-date on the latest information with mobile cart solutions.

3 Contactless Commerce

Quick and convenient, these curbside digital signage solutions inform customers and keep businesses running smoothly.

4 Traffic Control

Effectively communicate traffic and social distancing requirements to customers and employees with digital signage kiosks.

MOBILE CART - SINGLE DISPLAY
