¹ Requires a 5G data plan (sold separately). 5G service is not available on all carrier networks or in all areas. Contact carrier for details about current 5G network performance, compatibility, and availability. Phone connects to 5G networks, but 5G service, speed, and performance depend on many factors including, but not limited to, carrier network capabilities, device configuration and capabilities, network traffic, location, signal strength, and signal obstruction. Actual results may vary. Some features are not available in all areas. Data rates may apply. See [g.co/pixel/networkinfo](https://www.google.com/pixel/networkinfo) for info. ² Based on completion of all Common Criteria/NIAP Mobile Device Fundamentals Protection Profile certifications prior to when Pixel 4a (5G) and Pixel 5 first became available on the Google Store. ³ Android version updates for at least 3 years from when the device first became available on the Google Store in the US. See [g.co/pixel/updates](https://www.google.com/pixel/updates) for details. ⁴ Personal Safety app features are dependent upon network connectivity and other factors and may not be reliable for emergency communications or available in all areas. For more information, see [g.co/pixel/personalsafety](https://www.google.com/pixel/personalsafety). ⁵ FHD screen sharing not available on group calls. Requires Wi-Fi or 5G internet connection. Not available on all apps and content. Data rates may apply. 5G service, speed and performance depend on many factors including, but not limited to, carrier network capabilities, device configuration and capabilities, network traffic, location, signal strength, and signal obstruction.

⁶ Requires a paid subscription to YouTube Music Premium. ⁷ Enabling gameplay with cellular data may increase your mobile data usage up to 2.7GB/hr. Gameplay is service, network, connection, and game-dependent, and may not be available for all games in all areas. Users may experience inconsistent gameplay. See [g.co/stadia/data](https://www.google.com/stadia/data) for more information. Stadia requires account creation. ⁸ For "All day": Maximum battery life based on testing using a mix of talk, data, standby, and use of other features. Testing conducted on two major carrier networks using Sub-6 GHz non-standalone 5G (ENDC) connectivity. ⁹ The Google Assistant and some related features are not available in all languages. See [g.co/assistant/languages](https://www.google.com/assistant/languages) for updates to language availability.
