

TRANSPORTATION SOLUTIONS

Tech That Keep Fleets Moving

In the fast-paced and dynamic field of transportation and logistics, mobile technology plays a pivotal role in maintaining operational efficiency and ensuring the timely delivery of goods and services. By providing transportation and logistics professionals with ZAGG and mophie accessories, we ensure they are prepared for every journey, every shipment, and every challenge. Our products are built to endure the demands of the road, sky, and shipping yard, making them the ideal partners for industries that are always on the move.

ZAGG Rugged Book

SOLUTIONS FOR TRANSPORTATION	
The Challenge	**The ZAGG Solution**
Devices run out of battery mid-route	**Always Charged:** Portable charging solutions keep devices powered during routes/shifts.
Screen/devices are vulnerable to drops during loading/unloading	**Protected Devices:** Rugged cases and screen protectors guard against drops, spills, and daily wear.
Drivers need reliability, not complexity	**Reliable Design:** Keyboards, stands, and accessories designed and tested to withstand the workday.
Extending device fleet lifespan	**Complete Solution:** 360° protection and portable power extend overall device/battery lifespan for the whole fleet.
