

Need to Strategically Invest Budget Before the End of FY23?

Unlock Unprecedented Procurement Ease with AWS Marketplace, [Partner] and TD SYNNEX Public Sector!

With the end of the federal fiscal year rapidly approaching, you may be looking for ways to strategically spend your agency's congressionally-allocated budget to avoid future cuts. While consumption-based purchases like AWS are typically not made near the end of the fiscal year, AWS Marketplace is different. How?

A One-Stop-Shop for Software & Cloud Solutions

With the AWS Marketplace, we make acquiring software and cloud solutions a breeze. No more endless negotiations with multiple vendors. Everything you need is in one convenient place. The teams at [PARTNER] and TD SYNNEX Public Sector are here to walk you through the process, ensuring a seamless and efficient acquisition experience.

Straightforward Pricing

The AWS Marketplace also takes the pain out of pricing. They've negotiated with vendors and established standard pricing. As a result, you save precious time and effort while simultaneously making the most of your budget.

Solutions for Every Agency Objective

When it comes to digital transformation, we know agencies have specific goals in mind. The AWS Marketplace has them covered with a wide range of solutions that align perfectly with your agency's objectives, whether it's modernizing systems, boosting cybersecurity or improving citizen services.

Pre-Qualified Technologies

AWS takes compliance seriously. The AWS Marketplace offers pre-qualified solutions that meet all the rigorous regulatory and security requirements like FedRAMP and NIST. This means you can rest easy knowing you're adopting solutions that tick all the compliance boxes.

Constant Innovation

The AWS Marketplace is a hub of creativity. Their network of independent software vendors (ISVs) are constantly pushing the envelope and improving their offerings. What does this mean for you? Your agency can stay on the cutting edge of technology and stay ahead in its digital transformation journey.

Ready to Get Started?
