1 Based on one-sided printing. Change from default setting required.

2 From ready mode and standard tray.

3 PostScript®3™ compatible.

4 For the latest OS compatibility and to download drivers, visit [support.brother.com](http://support.brother.com). Printing via macOS requires the use of AirPrint. Mac printer drivers are not provided.

5 May require free download. Compatibility may vary by device and operating system. May require connection to a wireless network.

6 Requires an Internet connection and an account with desired service.

7 Requires an Internet connection.

8 Maximum capacity based on using 20 lb. paper.

9 Print speed may vary depending on size/type of paper used and paper source.

10 Windows only.

11 Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

12 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

13 Approximate toner cartridge yield in accordance with ISO/IEC 19798 (letter/A4).

14 Approximately 30,000 pages based on 1 page per job and 50,000 pages based on 3 pages per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors, including but not limited to media type and media size.

15 Approximately 50,000 pages based on 1 page per job and 100,000 pages based on 3 pages per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors, including but not limited to media type and media size.

16 Approximately 50,000 pages based on 5 pages per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors, including but not limited to media type and media size.

17 Approximately 100,000 pages based on 5 pages per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors, including but not limited to media type and media size.

18 Requires additional purchase.
